ARTICLE X

INDEMNIFICATION

- 10.1 Indemnity. The Association shall indemnify any Board Member or officer, or their agents, who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such party is or was a director, employee, officer, or agent of the Association, against expenses (including attorneys' fees and appellate attorneys' fees) judgments, fines and amounts paid in settlement actually and reasonably incurred by such party in connection with such action, suit or proceeding, unless (a) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed indemnitee, that such party did not act in good faith or in a manner such party reasonably believed to be in, or not opposed to, the best interest of the Association, and with respect to any criminal action or proceeding, that such party had reasonable cause to believe that his or her conduct was unlawful, and (b) such court also determines specifically that indemnification should be denied. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in, or not opposed to, the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.
- 10.2 Expenses. - 10.3 Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding shall be paid by the Association in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the affected Member of the Board, officer, employee or agent to repay such amount unless it shall be ultimately determined that he is entitled to be indemnified by the Association as authorized in this Article X.

Fax Audit No: H03000198812 7

- 10.4 Miscellaneous. The indemnification provided by this Article X shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of members or otherwise, and shall continue as to a person who has ceased to be a Member of the Board, officer, employee or agent, and shall inure to the benefit of the heirs and personal representatives of such person.
- 10.5 Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Member of the Board, officer, employee or agent of the Association, or is or was serving, at the request of the Association, as a Member of the Board, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such party and insured by such party in any such capacity, or arising out of said person's status as such, whether or not the Association would have the power to indemnify said person against such liability under the provisions of this Article.
- 10.6 Amendment. Anything to the contrary herein notwithstanding the provisions of this Article X may not be amended without the approval in writing of all persons whose interest would be adversely affected by such amendment.

ARTICLE XI

Any such approved hurricane shutters may be installed up to four (4) days prior to the expected arrival of a hurricane and must be removed within seven (7) days after the end of a hurricane watch or warning or as the Board may determine otherwise. 2. Section 20 of the Declaration is amended by the addition of the following new Section 20.2.6:

20.2.6 Resale Capital Contribution. Commencing with Lots, Homes or Parcels within Frenchman's Reserve for which there is a contract of sale executed after the date this Fifth Amendment to the Declaration is recorded in the Public Records of Palm Beach County, Florida, each purchaser after the initial purchaser of a Lot, Home or Parcel, at the time of closing of the conveyance from the Owner (other than the Developer) to the purchaser, shall pay to the Association a Resale Capital Contribution in the amount of one quarterly assessment (the "Resale Capital Contribution"). The funds derived from the Resale Capital Contribution shall be used for the purpose of funding Association reserves or Operating Expenses. The Resale Capital Contribution shall not be required in the event of a sale or transfer of a Lot, Home or Parcel pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise) of a bonafide first mortgage held by a Lender; provided however, the Resale Capital Contribution shall be due and payable at the time of closing of a sale or transfer of said Lot, Home or Parcel by the said Lender to a transferee or purchaser. If the Resale Capital Contribution is not paid when due, the Association shall have a lien against the transferred Lot, Home or Parcel, for the amount due, which may be enforced as provided in Section 20.15 hereof as "other charges or fees."

3. The provisions of this Fifth Amendment to the Declaration shall be effective upon the date this Fifth Amendment to the Declaration is recorded in the Official Records of Palm Beach County, Florida.

IN WITNESS WHEREOF the undersigned, constituting the President and the Secretary of the Association have executed this Fifth Amendment to the Declaration this 30 day of December, 2013.

Any such area designated may, in the sole and absolute discretion of the Association, be terminated for such use without cause. The Association shall have the authority to formulate appropriate Rules concerning the use of any such parking areas, including reasonable charges therefor.

Pets belonging to Owners or those occupying Units through the authority of Owners, will be allowed to reside within any portion of the Condominium, subject to the following further restrictions: (i) only common household pets may be kept in a Unit; (ii) no pet shall be permitted outside a Unit except on a leash and at all times under the control of its Owner; (iii) no other animals, livestock or poultry of any kind shall be kept on any portion of the Condominium Property; (iv) no pets may be kept for the purpose of breeding or for any commercial purposes whatsoever; (v) no pets shall be allowed to constitute a nuisance; (vi) each Owner shall promptly remove and dispose of waste matter deposited by his pet through a proper sewage receptacle; (vii) no Unit shall be occupied at any time by more than two (2) pets; and (viii) the Board shall have the right to promulgate Rules further restricting the keeping of pets.

F. Nuisances. No obnoxious, unpleasant, unsightly, or offensive activity shall be carried on, nor any noxious odors permitted within or about, nor may anything be done within, any portion of the Condominium, which can be reasonably construed by the Board to constitute a nuisance, public or private in nature. No Owner shall make himself or permit his family, agents, visitors, tenants, or invitees to make any disturbing noises, including, without limitation, any

unreasonable playing of musical instruments, television, radio, or stereo, within the Owner's Unit in such a manner as to disturb or annoy other Owners. Any ultra-hazardous activity permitted or undertaken by any Owner within any portion of the Condominium shall be a nuisance, subject to extra protection and/or assurances of safety provided to the Board prior to commencing any such ultra-hazardous activity.

G. Mailboxes. No Owner shall alter or replace the mailbox serving his or her Unit without the prior written consent of the Board. Developer may construct cluster mailbox areas, which shall contain multiple mailboxes serving more than one Unit.

I. Garbage and Trash Containers. All garbage, trash containers and the like shall be placed in Board approved receptacles or in such manner as not to be visible from streets. If available, the Association shall employ the services of a company or franchisee, either privately owned or selected by the County, for the removal of all refuse, provided the cost and frequency for such services is reasonably similar to other private companies in the area.

J. Areas Outside Units. No trash or garbage cans, supplies, milk bottles, or other articles not designed and intended as outdoor amenities shall be placed or stored on patios. Nothing shall be placed on the exterior of walls, doors, patios, windows or roof, unless approved in writing by the Board. The Common Elements and Limited Common Elements, as well as the Common Areas of Frenchman's Reserve situated within the Chambord neighborhood, shall be kept free and clear of rubbish, debris and other unsightly material. All newspapers delivered to a Unit shall be brought inside each Unit daily and shall not be permitted to accumulate outside of any Unit.

K. Agents of Association. No Owner or resident may direct, supervise, or in any manner attempt to assert control over, the employees or agents of the Association, unless such employee or agent of the Association is an officer or director of the Association acting outside of the scope of such party's authority.

L. Emergencies. In case of any catastrophe or other emergency originating in or threatening any Unit, the Board or any individual authorized by it, shall have the immediate right, but not the obligation, to enter any Unit for the purpose of remedying or abating the cause of such catastrophe or emergency, at the Board's discretion, notwithstanding that the Owner of such Unit is present at the time of such catastrophe or emergency.

M. No Interference with Construction. Neither the Association nor any Owner shall interfere with or impede any of Developer's development, construction and marketing activities within the Condominium, so long as Developer, its agents, contractors, licensees, or invitees, or the successors or assigns of any of the foregoing, shall be performing same.

N. Business Use. Units shall be used for residential purposes only. No trade or business may be conducted in or from any Unit, except that an Owner or occupant residing in a Unit may conduct business activities within the Unit so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from the exterior portions of the Unit; (ii) the business activity conforms to all zoning requirements and other applicable governmental regulations for the Condominium Property; (iii) the business activity does not involve persons coming onto the Condominium Property who do not reside in the Condominium

or door-to-door solicitation of residents within the Condominium; and (iv) the business activity is consistent with the residential character of the Condominium, and does not constitute a nuisance, a hazardous or offensive use, or threaten the security or safety of other residents of the Condominium, as may be determined in the sole discretion of the Board. The terms "Business" and "Trade" as used in this Section 3.01 shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis, temporary or otherwise, which involves the provision of goods or services to persons other than the provider's family, and for which the provider receives a fee, compensation, or other form of consideration or benefit, regardless of whether such activity is intended to or does generate a profit, or whether a license is required therefor. The rental of Units for residential occupancy shall not be deemed a commercial activity and is permitted, subject to the limitations imposed by Article 16 hereof.

O. Environmental Compliance. No Unit Owner shall maintain, handle, store, use or employ within any Unit any "hazardous waste" and shall, at all times, comply with all environmental laws, whether local, state or federal. The term "hazardous waste" shall include any substance, toxic waste or chemical pollutant, or similar environmental hazard which is deemed as such by any of the laws applicable to same.

P. Sound Deadening for Flooring. 3.04 Exculpation for Action

The Board or any designated "Architectural Review Committee" (the "ARC"), if applicable, may grant, withhold or deny its consent or approval in any instance where such is permitted or required without any liability of any kind therefor so long as the Board or ARC is acting in good faith, on behalf of the Association, in seeking to preserve what it deems as the "Community-Wide Standard" of the Condominium.

9.06 Additional Powers of Association

In addition to those other responsibilities specified in the Articles or Bylaws, the Association or its Management Company, if applicable, shall be required to provide certain services to the Unit Owners and/or Condominium Property, as and when deemed necessary or appropriate by the

No amendment to said Bylaws shall be adopted which would affect or impair the validity or priority of any Mortgage covering any Condominium Parcel.

**Article 11
MAINTENANCE; LIMITATION UPON IMPROVEMENT**

The maintenance of the Common Elements, Limited Common Elements and any other property benefitting the Unit Owners or the Association (excluding Common Areas of the Master Association), shall be the responsibility of the Association; provided, however, that the Association shall not be responsible for the maintenance of (a) any air conditioning compressor or other component or utility service that serves a particular Unit and (b) any additional Unit Owner maintenance obligations set forth in Section 5.02 hereof, which responsibilities shall, instead, be borne solely by the Owner of such Unit. Any such compressor or component shall be part of the Unit which it serves and not a Common Element.

11.02 Unit Owner's Maintenance Obligation

Each Unit Owner shall be responsible for maintaining its Unit, except in such instances that the Association shall be responsible therefor, in accordance with this Declaration. Unit Owners are required to maintain, in good working order and without visible defects, all windows and screens, as well as sliding glass doors, exterior doors, and garage doors for each of the Units, except as to periodic painting for doors which are the responsibility of the Association.

11.03 Alteration of Common Elements

There shall be no material alteration or substantial addition to the Common Elements or Limited Common Elements except (i) pursuant to Articles 5, 6 or 7 of this Declaration, or (ii) the Board of Directors shall have the right to make alterations or additions to the Common Elements or Limited Common Elements if such alterations or additions are recommended by the Board and approved by a majority of Owners in the Condominium present at a duly called meeting of Unit Owners at which a quorum is attained.

11.04 Limitation Upon Improvements

No Unit Owner shall make any alterations in the portions of the improvements of the Condominium which are to be maintained by the Association, remove any portion thereof, make any additions thereto, do any work which would jeopardize the safety or soundness of the building containing his Unit or impair any easement.

11.05 Architectural Approval

All "Improvements," as defined in the Master Declaration, constructed on any portion of the Property by any of the Owners, shall be subject to approval, as necessary, required by the Master Declaration; provided, however, the Board shall hereby retain the right, to be exercised at any time in the future and at its option, to create an ARC (as provided in Section 3.04 hereof) whereby the ARC shall create certain building criteria and have the right to require that Improvements constructed within the Property be in compliance with such criteria. No fence, wall, gate or other structure, addition or improvement may be erected, installed, maintained or removed on the Condominium Property until the design, construction, specifications and a plan showing the location of the structure or improvement have been approved in writing by the Board of Directors, the Master Association or the ARC, as applicable, as to quality, design and materials, harmony with existing structures, and as to location with respect to topography and finished grade elevation. Such approval of the Board of Directors, the Master Association or the ARC, as applicable, shall not be required in the event that such party fails to give such approval within thirty (30) days after receipt of a written request for same. In no event will such approval be unreasonably withheld nor will any charge be made therefor. Nothing contained in this Section 11.05 shall be construed to lessen the obligation of any Owner to make prompt application for and obtain all necessary governmental permits and other approvals with respect to any such structure. The provisions of this Section shall not apply to the Developer.

Article 12

The Association shall have the right at any time by action of its Board to include protective surveillance and/or monitoring for any Units within the Condominium opting to be included in such a system, the costs of which shall be includable as a Common Expense; provided, however, any Unit Owner may, upon written notice to the Association, elect to discontinue receiving the benefit of the Master Association-provided protective surveillance and/or monitoring (without any corresponding financial credit given to such Unit Owner) and such

Common Expenses shall be assessed against Unit Owners in a proportion equal to those proportions of ownership in the Common Elements as provided in this Declaration. The cost of a master antenna television system or duly franchised cable television service obtained pursuant to a bulk contract shall be deemed a common expense of the Master Association, provided that such contract does not exceed a term of two (2) years, and shall otherwise be governed by the provisions of Section 718.115, Florida Statutes. The expense of installation, replacement, operation, repair and maintenance of hurricane shutters by the Board pursuant to Section 718.113(5), Florida Statutes, shall constitute a Common Expense and shall be collected as provided in this Declaration.

12.02 Common Surplus

Common Surplus, if any, shall be owned by Unit Owners in a proportion equal to those proportions of ownership in the Common Elements as provided in this Declaration.

Article 13 **ASSESSMENTS**

13.01 Assessments

The Association, through its Board of Directors, shall have the power to determine and fix the sums necessary to provide for the Common Expenses, including the expense allocable to services being rendered by a management company with whom the Association may contract. The Assessment shall initially be made for one year periods, but shall be payable in advance, in monthly installments, due and payable by each Unit Owner on the first day of each calendar month; however, the Board of Directors shall have the power to establish other collection procedures. The Board is obligated to remit the Master Association "Assessments" (as defined in the Master Declaration) to the Master Association for all Units required by the Master Declaration from time to time to pay such Master Association Assessment on a schedule and in accordance with the Master Declaration. However, the Board may elect to have the Master Association collect all Assessments provided hereby as part of the Master Association collecting the "Assessments" (as defined in the Master Declaration) from the Owners, subject to the approval of the Master Association. In addition, the Association shall have the power to levy "Special Assessments" (subject to limitations set forth in the Bylaws) against Units in their respective percentages if a deficit should develop in the payment of Common Expenses during any period that the level of Assessments has not been guaranteed by the Developer, in accordance with Section 13.08 hereof.

13.02 Liability for Assessments

A Unit Owner, regardless of the manner in which he or she acquired title to his or her Unit, including, without limitation, a purchaser at a judicial sale or by deed in lieu of foreclosure, shall be liable for all Assessments which become payable while he or she is the owner of a Unit, and is hereby deemed to covenant and agree to pay to the Association, or to the Master Association, as applicable: (a) annual common assessments for Common Expenses; (b) Individual Charges; (c) Special Assessments; and (d) Master Association Assessments, all of which may be hereafter collectively described as the "Assessments." Additionally, each Unit Owner is jointly and severally

liable with the grantor for all unpaid Assessments against the latter for the Unit Owner's share of the Common Expenses up to the time of such conveyance. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements, services or recreation facilities, or by abandonment of the Unit against which the Assessment was made.

13.03 Interest

Assessments and installments thereof not paid when due shall bear interest from the due date until paid at the maximum rate allowed under Florida law, or if no such maximum is provided, then at the rate of eighteen percent (18%) per annum. The Association shall have the right to charge, at the option of the Board, an administrative late fee in addition to such interest charged hereunder, in an amount not to exceed the greater of Twenty-Five Dollars (\$25.00) or five percent (5%) of each installment of the Assessment for each delinquent installment that the payment is late. Any payment received by the Association shall be applied first to any interest accrued by the Association, then to any administrative late fee, then to any costs and reasonable attorney's fees incurred in collection, and then to the delinquent Assessment. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

13.04 Liens

The Association shall have a lien upon each Condominium Parcel to secure the personal obligation of each Unit Owner thereof for any unpaid Assessment and interest thereon, as well as those liens for maintenance of Limited Common Elements pursuant to Section 718.113, F.S. Such lien shall also secure reasonable attorney's fees and costs incurred by the Association incident to the collection of such Assessment or enforcement of such lien. The lien shall be evidenced by a claim recorded among the Public Records of the County, in the manner provided by the Condominium Act, and shall be effective from and as of the time of such recording, but such lien shall be subordinate to any first Mortgage lien created and held by any Mortgagee. The Board of Directors may take such action as it deems necessary to collect Assessments by either an in personam action or lien foreclosure, or both, and may settle and compromise the same if in the best interest of the Association. Said liens shall have the priorities established by the Condominium Act.

13.05 Lien Foreclosure

Liens for Assessments may be foreclosed by suit brought in the name of the Association in like manner as a foreclosure of a mortgage on real property. In any such foreclosure, the court, in its discretion, may require the Unit Owner to pay a reasonable rental for the Condominium Parcel and the court may appoint a receiver to collect the Assessments which are the subject of said proceeding. The Association may bid in the Condominium Parcel at foreclosure sale and apply as a cash credit against its bid all sums due the Association secured by the lien being enforced, and the Association may acquire and hold, lease, mortgage and convey any Condominium Parcel so acquired.

13.06 Mortgagee Exemptions

The liability of a Mortgagee of a first Mortgage of record, including its successors or assigns, who obtains title to the Condominium Parcel by purchase at the public sale resulting from the first Mortgagee's foreclosure judgment in a foreclosure suit in which the Association has been properly named as a defendant junior lien holder (unless the Association was dissolved or did not

maintain an office or agent for service of process at a location which was known to, or reasonably discoverable by, the Mortgagee), or as a result of a deed given such Mortgagee in lieu of foreclosure, for the unpaid Assessments which became due prior to acquisition of title is limited to the lesser of:

A. The Unit's unpaid Common Expenses and regular periodic Assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or

B. One percent (1%) of the original mortgage debt.

Such acquirer of title and its successors and assigns shall not be liable for the share of Common Expenses or Assessments attributable to the Condominium Parcel or chargeable to the former Unit Owner of the Parcel which became due prior to acquisition of title as a result of the foreclosure, unless the share is secured by a claim of lien for Assessments that was recorded prior to the recording of the foreclosed Mortgage, or otherwise permitted by Section 718.116(5)(a) of the Condominium Act. The unpaid share of Common Expenses or Assessments shall be deemed to be a Common Expense, collectible from all Unit Owners, including such acquirer, his successors and assigns. The party acquiring title shall pay the amount owed to the Association, pursuant to this Section 13.06, within thirty (30) days after transfer of title. Failure to pay the full amount when due shall entitle the Association to record a claim of lien against the Unit and proceed in the same manner as provided in this Section 13.06, and pursuant to Section 718.116, Florida Statutes, concerning the collection of unpaid Assessments. Any Mortgagee or other purchaser acquiring title to a Condominium Parcel as a result of foreclosure or a deed in lieu of foreclosure may not, during the period of its ownership of such Parcel, whether or not such parcel is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership. Nothing contained herein shall abridge or limit the rights or responsibilities of Mortgagees as set forth in the Condominium Act.

13.07 Assignment of Liens

To the extent permitted by applicable law, the Association, acting by and through its Board of Directors, shall have the right to assign its claim for any unpaid Assessments and the lien securing said claim to the Developer or to any Unit Owner, group of Unit Owners or any third party, including, without limitation, the Master Association.

13.08 Developer Obligations

Except as provided in Section 13.06 above and in this Section 13.08, no Unit Owner other than the Developer, may be excused from the payment of his or her proportionate share of Common Expenses unless all Unit Owners are likewise proportionately excused from such payment. The Developer hereby guarantees to each Unit Owner that the Assessment for Common Expenses will not increase over \$160.00 per Unit per month for the first fiscal year of operation for the Association. Such guaranty shall be in effect for the period from the date of recording hereof until the earlier of (i) the end of the first fiscal year in which the Declaration is recorded or (ii) the date upon which the Developer shall cease to control the Association (the "Guaranty Period"), in accordance with Section 8.03 of this Declaration, unless the Developer determines, in its sole discretion, to extend the Guaranty Period for one or more twelve (12) month periods of time; provided, however, such extended Guaranty Period, if applicable, shall terminate on the earlier to occur of (a) the first anniversary of such extended Guaranty Period, or (b) the date upon which the Developer shall cease to control the Association. Accordingly, pursuant to the provisions of

Section 718.116(9)(a)(2) of the Condominium Act, the Developer shall be excused from the payment of its share of the Common Expenses which would have been assessed against Units owned by the Developer during the Guaranty Period. The Developer shall pay any amount of Common Expenses incurred during the Guaranty Period and not produced by the Assessments at the guaranteed level receivable from other Unit Owners. During the Guaranty Period, the Developer shall contribute an amount of money to the Association, or pay directly to the providers of goods and services, funds sufficient to eliminate any deficit between assessments collectible from Owners other than the Developer and the actual Common Expenses of the Condominium.

13.09 Individual Charges

Any maintenance, repair or replacement within the Property arising out of or caused by the willful or negligent act of an Owner, including the Owner's family, tenants, guests or invitees, shall be effected at the Owner's expense and an Individual Charge therefor shall be made against the Owner's respective Unit, to the extent insurance proceeds are not collected with respect to such loss. Additionally, any fine imposed by the Board in accordance with the Bylaws or other expense of the Association incurred as a result of any Owner's failure to comply with the provisions of this Declaration, the Articles, Bylaws or Rules, shall be charged to such Owner and the Owner's respective Unit as an Individual Charge.

13.10 Special Assessments

In addition to the periodic Assessments authorized in Sections 13.01, 13.02 and 13.09, the Board may levy in any fiscal year, in accordance with the Bylaws, a Special Assessment on a one time basis, but on one or more occasions, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of an Improvement or other capital improvement upon the Common Elements, including fixtures and personal property related thereto, or for defraying any other extraordinary Common Expenses of the Association, including shortfalls in Common Assessments (hereinafter referred to as "Special Assessments"); provided, however, any such Special Assessment in excess of Twenty-Five Thousand Dollars (\$25,000.00) shall require the consent of at least sixty-seven percent (67%) of the votes of Members present and entitled to vote, in person or by proxy, at a duly called special or annual meeting of Members.

13.11 Limitation of Liability

The liability of each Unit Owner for Common Expenses shall be limited to the amounts assessed against each Owner from time to time in accordance with the Condominium Act, this Declaration, the Articles and the Bylaws. A Unit Owner may be personally liable for any damages caused by the Association in connection with the use of the Common Elements, but only to the extent of his pro rata share of that liability in the same percentage as his interest in the Common Elements and in no event shall said liability exceed the value of his Unit. Each Unit Owner shall be liable for injuries or damages resulting from an accident in his own Unit to the same extent and degree that the owner of a house or any other property owner would be liable for such an occurrence. In any legal action in which the Association may be exposed to liability in excess of insurance coverage protecting it and the Unit Owners, the Association shall give notice of the exposure within a reasonable time to all Unit Owners, and they shall have a right to intervene and defend.

Article 14
LIENS

14.01 Validity of Liens

Subsequent to the recording hereof and while the Condominium Property remains subject hereto, no liens of any nature shall be valid against the Condominium Property (as distinguished from individual Units) without the unanimous consent of the Unit Owners.

14.02 Construction Liens

Unless a Unit Owner has expressly requested or consented in writing to work being performed or materials being furnished to his Unit, such labor or materials may not be the basis for the filing of a lien against same. No labor performed or materials furnished to the Common Elements shall be the basis for a lien thereon unless authorized in writing by the Association, in which event, the same may be the basis for the filing of a lien against all Condominium Parcels in the proportions for which the Owners thereof are liable for Common Expenses.

14.03 Release of Lien

In the event a lien against two or more Condominium Parcels becomes effective, each owner thereof may release his Condominium Parcel from the lien by paying the proportionate amount attributable to his Condominium Parcel. Upon such payment, it shall be the duty of the lienor to release the lien of record from such Condominium Parcel.

Article 15
EASEMENTS

15.01 Ingress and Egress

Owners of Units shall have, as an appurtenance to their Units, a perpetual easement for ingress and egress to and from their Units over and upon sidewalks, streets, driveways, walkways, paths and trails, and other Common Elements intended for such purposes.

15.02 Encroachments

The Condominium Property shall be subject to perpetual easements for encroachments presently existing or which may hereafter be caused by settlement or movement of the Condominium Building or minor inaccuracies in construction, which easements shall continue until such encroachments no longer exist. If the Condominium Property is destroyed and then rebuilt, encroachments due to construction shall be permitted and a valid easement for said encroachments shall exist. If any portion of the Common Elements encroaches upon any Unit, or any Unit encroaches upon the Common Elements, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the improvements contained in the Condominium Property, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists. The Association shall have an easement over all Condominium Property for the maintenance and repair of any Common Element or Limited Common Element, provided such activity does not materially adversely affect the substantial use of any Unit by its Owner.

15.03 Utilities

The Condominium Property shall be subject to such easements for utilities, including cable television or other communication systems or facilities, as may be determined by the Developer or the Master Developer, or required to properly and adequately serve the Condominium Property, or other portions of the Project, as it exists from time to time. Each of said easements, whether heretofore or hereafter created, shall constitute covenants running with the Condominium Property and, notwithstanding any other provisions of this Declaration, may not be substantially amended or revoked in such a way as to unreasonably interfere with its proper and intended use and purpose and shall survive the termination of the Condominium. To the extent that the creation of any such utility easements require the joinder of Unit Owners, the Developer by its duly authorized officers may, as the agent or the attorney-in-fact for the Unit Owners, execute, acknowledge and deliver such instruments and the Unit Owners, by the acceptance of deeds to their Units, irrevocably nominate, constitute and appoint the Developer, through its duly authorized officers, as their proper and legal attorneys-in-fact for such purpose. Said appointment is coupled with an interest and is therefore irrevocable. Any such instrument executed pursuant to this Article 15 shall recite that it is made pursuant to this Article 15.

15.04 Developer Reservations

The Developer hereby reserves unto itself and hereby grants to the Association and the Master Association, an easement over the Condominium Property exclusive of any Units not owned by it for any activity that Developer determines in its sole but reasonable discretion to be (i) of a nature which does not materially adversely affect the substantial use of the Common Elements by Unit Owners and (ii) necessary to consummate or facilitate the maintenance and repair or development, sale, lease or rental of any Unit or other portion of the Condominium, including, but not limited to, the right to maintain models, post signs, use employees in the models or permit use of the Common Elements for marketing purposes. Further, such activities are hereby expressly authorized and permitted. No charge shall be made to Developer for such use. Developer also reserves the right for itself to grant such easements over, under, in and upon the Condominium Property (except for any units previously conveyed to anyone other than Developer) in favor of itself, the Association, the Master Association, their designees, Owners, and appropriate utility and other service providers, for ingress and egress for persons and vehicles, and to provide power, electric, water, sewer, drainage, and other utility services, and lighting, and lighting facilities, irrigation, television, and electronic transmission or communication and distribution facilities, cable television facilities, telecommunications, security service and facilities in connection therewith, and access to publicly dedicated streets, and the like.

15.05 Streets, Driveways and Walkways

An easement shall exist for pedestrian traffic over, through and across that portion of the Common Elements improved with sidewalks, paths and walks (including grass covered open space) and for vehicular and pedestrian traffic over, through and across such portions of the Common Elements as may from time to time be paved as streets and driveways and intended for such purposes. All of such easements shall be without charge and shall be for the use and benefit of all members of the Association, as well as the family members, agents, tenants, licensees, invitees and guests of such members. Nothing herein shall be construed to give or create in any person the right to park upon any portion of the Condominium Property except to the extent that space may be specifically designated and assigned for parking purposes as provided in Section 21.13 hereof.

15.06 Surface Water Management and Drainage

The surface water management and drainage system within the Condominium Property is part of one integrated system throughout the Project. A perpetual easement is hereby created over all Common Elements in favor of the Master Association for surface water drainage and for the installation and maintenance of the surface water management and drainage system for the Project as it is intended that the surface water management and drainage system to be constructed shall benefit all of the Condominium; provided, however, that such easement shall be subject to improvements constructed within the Project as permitted by controlling governmental authorities from time to time. The surface water management and drainage system of the Project shall be developed, operated, and maintained in conformance with the requirements of the "District" (as defined in Article 9 hereof), and/or any other applicable governmental authority. If required by the District or any other governmental agency, the Master Association shall maintain the surface water management and drainage system for the Condominium Property, including, but not limited to, all lakes, canals, swale areas, retention areas, culverts, pipes, and related appurtenances.

Article 16 **SALE OR LEASE**

16.01 Sale

Every Unit Owner is hereby obligated to provide written notice to the Association within five (5) days after the transfer, sale or conveyance of any Unit to any other party, including intra-familiar transfers or conveyances by gift, devise or inheritance, with the name(s) of the subsequent Owner and Owner(s), address and telephone numbers, and such other reasonable information as required by the Association from time to time, including a copy of the instrument evidencing the Owner's title. If the notice to the Association herein required is not given, then at any time after receiving knowledge of a transaction or event transferring ownership or possession of a Unit, the Association, at its election and without notice, may levy a fine against the Unit with a penalty not to exceed \$20.00 per day for non-compliance, with a maximum fine of \$100.00 unless a greater sum is hereafter permitted by the Condominium Act. This right of the Association shall be exercised solely in accordance with the provisions of Section 718.303(3), Florida Statutes.

16.02 Lease

Every Unit Owner is hereby required to provide written notice to the Association within five (5) days after entering into a lease for the Unit. The notice shall include names and telephone numbers of the lessee, along with such other reasonable information as required by the Association from time to time. A copy of the lease shall be included with the notice to the Association. No lease shall demise any less than the entire Unit, nor shall any lease be for a period of less than six (6) months, and the proposed lessees shall consist of not more than two (2) persons per bedroom in the Unit to be leased. Subleases of Units are prohibited. Units shall not be leased more than two (2) times in any twelve (12) month period. Notwithstanding the lease of his Unit, the liability of the Unit Owner under this Declaration shall continue. If the notice to the Association herein required is not given, then at any time after receiving knowledge of a lease affecting a Unit, whether written or otherwise, the Association, at its election and without notice, may levy a fine against the Unit with a penalty not to exceed \$20.00 per day for non-compliance, with a maximum fine of \$100.00 unless a greater sum is hereafter permitted by the Condominium Act. This right of the Association shall be exercised solely in accordance with the provisions of Section 718.303(3), Florida Statutes. The Association shall have the option to require any lessee to post a deposit with the Association, to

be held in escrow, not in excess of one month's rent, as security for damage to the Common Elements or Association Property.

16.03 Damage to Condominium

In the event a Unit Owner or any guest, tenant or family member of a Unit Owner causes any damage to the Common Elements, Limited Common Elements, or any improvements on any of them, the Association shall have the right to charge the Unit Owner and the Unit for the sums necessary to repair such damage. Such charge may be collected by the Association which shall have a "Special Lien" on the offending party's Unit to secure and enforce such charge. Such Special Lien shall be distinct from the statutory lien for Assessments, but shall operate in all respects identically to such statutory lien as set forth in Section 718.116, of the Condominium Act.

Article 17 **INSURANCE**

17.01 Purchase of Insurance

The Association shall obtain fire and extended coverage insurance, vandalism and malicious mischief insurance, flood insurance, or any other coverage required by the Board of Directors, insuring all of the insurable improvements within the Common Elements together with such other insurance as the Association deems necessary in an amount which shall be equal to the maximum insurable replacement value as determined annually. The premiums for such coverage and other expenses in connection with said insurance shall be assessed against the Unit Owners as part of the Common Expenses. The named insured shall be the Association, individually and as agent for the Unit Owners, without naming them, and as agent for their Mortgagees.

A. Provision shall be made for the issuance of Mortgagee endorsements and memoranda of insurance to Mortgagees. Such policies shall provide that payments for losses thereunder by the insurer shall be made to the Insurance Trustee to the extent hereinafter described.

B. For purposes of this and the following Article, all buildings located on the Condominium Property, as described in Exhibits "A" and "B" attached hereto, shall collectively be deemed one "Building" and shall include any additional buildings as a part thereof which may hereafter become a part of this Condominium.

17.02 Coverage

The following coverage shall be required:

A. Casualty covering all buildings and Improvements upon the Property described in Exhibit "A" attached hereto, which shall be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation costs, and all personal property included in the Common Elements shall be insured for its maximum insurable replacement value, said value to be determined annually by the Board of Directors. Such coverage shall afford protection against:

(1) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement; and

(2) Such other risks as from time to time shall customarily be covered with respect to buildings similar in construction, location and use as the buildings described in this subparagraph 2 including, but not limited to, vandalism and malicious mischief.

B. Public liability in such amounts and with such coverage as shall be required by the Board of Directors, including, but not limited to, hired automobile and non-owned automobile coverage, including a cross liability endorsement to cover liabilities of the Unit Owners as a group to a Unit Owner.

C. Worker's compensation insurance meeting all the requirements of the laws of Florida.

D. Directors and officers liability insurance, if available, and reasonably priced, in the opinion of the Board

E. Such other insurance as the Board of Directors shall determine from time to time to be desirable or necessary, including, without limitation, such insurance as may be required under the Condominium Act or by any agency of the United States government which holds a first Mortgage encumbering a Unit or insures to the holder thereof the payment of the same.

17.03 Premiums

Premiums upon insurance policies purchased by the Association shall be assessed by the Association against the Unit Owners as part of the Common Expenses.

17.04 Insurance Trustee; Shares of Proceeds

All insurance policies purchased by the Association shall be for the benefit of the Association, the Unit Owners and their Mortgagees, as their interests may appear. The Association shall have the option to appoint an "Insurance Trustee" which shall be a bank or other entity in Florida with trust powers with offices in Palm Beach or Broward Counties. An Insurance Trustee shall be appointed, upon the written request of any Mortgagee, to receive any proceeds in excess of \$15,000.00. The Insurance Trustee shall not be liable for payment of premiums, the renewal or the sufficiency of policies or the failure to collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes stated herein and for the benefit of the Unit Owners and their Mortgagees in the below described shares, which shares need not be set forth on the records of the Insurance Trustee. If the Association fails to appoint such Trustee, the Association shall perform all obligations imposed upon such Trustee by this Declaration.

A. Common Elements. Proceeds on account of damage to Common Elements - an undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements appurtenant to his Unit.

B. Units. Proceeds on account of damage to Units shall be held in the following undivided shares:

(1) When the Condominium Building is to be restored, for the Owners of damaged Units in proportion to the cost of repairing the

damage suffered by each Unit Owner, which cost shall be determined by the Association.

(2) When the Condominium Building is not to be restored, an undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements appurtenant to his Unit.

C. Mortgages. In the event a Mortgagee endorsement has been issued as to a Unit, the share of that Unit Owner shall be held in trust for the Mortgagee and the Unit Owner, as their interests may appear; provided, however, that no Mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no Mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except those proceeds paid to the Unit Owner and Mortgagee pursuant to the provisions of this Declaration.

17.05 Distribution of Proceeds

Proceeds of insurance policies received by the Insurance Trustee shall be distributed in the following manner:

A. Expense of the Trustee. All expenses of the Insurance Trustee shall be paid first or provision made therefor.

B. Reconstruction or repair. If the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their Mortgagees being payable jointly to them. This is a covenant for the benefit of any Mortgagee of any Unit and may be enforced by such Mortgagee.

C. Failure to reconstruct or repair. If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial owners thereof, remittance to Unit Owners and their Mortgagee being payable jointly to them. This is a covenant for the benefit of any Mortgagee of any Unit and may be enforced by such Mortgagee.

D. Certificate. In making distributions to Unit Owners and their mortgagees, the Insurance Trustee may rely upon a certificate of the Association, executed by its President or Vice President and Secretary or Assistant Secretary, as to the names of the Unit Owners and their respective shares of the distribution.

17.06 Association as Agent

The Association is hereby irrevocably appointed agent for each Unit Owner, for each holder of a Mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property with power to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

17.07 Unit Owner's Obligation

Each Unit Owner shall have the obligation to purchase public liability insurance to protect such Owner against claims due to accidents within his or her Unit, and casualty insurance on the contents within said Unit. In addition, each Owner should review the coverage of the Association to determine any additional insurance that may be advisable for such Owner to purchase.

Article 18

RECONSTRUCTION OR REPAIR AFTER CASUALTY

18.01 Determination to Reconstruct or Repair

If any part of the Condominium Property is damaged by casualty, whether it shall be reconstructed or repaired shall be determined in the following manner:

A. **Common Element.** If the damaged improvement is a Common Element, the damaged property shall be reconstructed or repaired unless it is determined in the manner elsewhere provided that the Condominium shall be terminated.

B. **Condominium Buildings:**

(1) Lesser damage. If the damaged improvement is one or more of the Condominium Buildings, and if Units to which fifty percent (50%) or more of the Common Elements are appurtenant are found by the Board of Directors to be tenantable, the damaged property shall be reconstructed or repaired unless within sixty (60) days after the casualty, it is determined by agreement in the manner elsewhere provided that the Condominium shall be terminated.

(2) Major damage. If the damaged improvement is one or more of the Condominium Buildings, and if Units to which more than fifty percent (50%) of the Common Elements are appurtenant are found by the Board of Directors to be untenable, the damaged property shall neither be reconstructed nor repaired and the Condominium shall be terminated without agreement as elsewhere provided unless, within sixty (60) days after the casualty, the owners of eighty percent (80%) of the Common Elements agree in writing to such reconstruction or repair.

(3) In each instance of damage noted under this subparagraph B, the Unit Owners shall have the right to require reconstruction or repair of all damaged property in accordance with Section 18.02 hereof.

C. **Certificate.** The Insurance Trustee may rely upon a certificate of the Association executed by its President or Vice President and Secretary or Assistant Secretary in determining whether the damaged property is to be reconstructed or repaired.

18.02 Plans and Specifications

Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original Condominium Property; or, if not, then in accordance with plans and specifications approved by the Board of Directors and, if the damaged property is one or more of the Condominium Buildings, by the Owners of not less than eighty percent (80%) of the Common Elements, including the Owners of all damaged Units, whose approval shall not be unreasonably withheld.

18.03 Responsibility

If the damage is only to those portions of a Unit or Units for which the responsibility of maintenance and repair is that of the Unit Owner(s), then the Unit Owner(s) shall be responsible for prompt reconstruction and repair after casualty. In all other instances, it shall be the Association's responsibility to reconstruct and repair after casualty.

18.04 Estimate of Costs

Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility for reconstruction and repair, the Association shall obtain reliable and detailed estimates of the cost to rebuild or repair.

18.05 Assessments

If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction or repair, the funds for the payment of the costs thereof are insufficient, Assessments shall be made against all Unit Owners in the case of damage to the Units and/or the Common Elements, in sufficient amounts to provide funds for the payment of such costs. Such Assessments against all Unit Owners for damage to Units and/or Common Elements shall be in proportion to the Owners' share in the Common Elements.

18.06 Construction Funds

The funds for payment of costs of reconstruction and repair after casualty, which shall consist of insurance proceeds held by the Insurance Trustee and funds collected by the Association from Assessments against Unit Owners, shall be disbursed in payment of such costs in the following manner:

A. **Association.** If the total Assessments made by the Association in order to provide funds for the payment of costs of reconstruction and repair which is the responsibility of the Association exceed \$5,000.00, the sums paid upon such Assessments shall be deposited by the Association with the Insurance Trustee. In all other cases, the Association shall hold the sums paid upon such Assessments and disburse the same in payment of the costs of reconstruction and repair.

B. **Insurance Trustee.** The proceeds of insurance collected on account of a casualty and the sums deposited with the Insurance Trustee by the Association from collections of Assessments against Unit Owners on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(1) Association-Under \$5,000.00. If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Association is less than \$5,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Association; provided, however, that upon request to the Insurance Trustee by a mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner hereafter provided for the reconstruction and repair of major damage.

(2) Association-Over \$5,000.00. If the amount of estimated costs of reconstruction and repair which is the responsibility of the Association is \$5,000.00 or more, then the construction fund shall be disbursed in payment of such costs in the manner required by the Board of Directors upon approval of an architect qualified to practice in Florida and employed by the Association to supervise the work.

(3) Unit Owner. The portion of insurance proceeds representing damage for which the responsibility of reconstruction and repair lies with a Unit Owner shall be paid by the Insurance Trustee to the Unit Owner and, if there is a Mortgagee endorsement as to such Unit, then to the Unit Owner and the Mortgagee jointly.

(4) Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated; except, however, that the part of a distribution to a beneficial owner which represents Assessments paid by such owner into the construction fund shall not be made payable to any Mortgagee.

(5) Certificate. Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by Unit Owners upon Assessments shall be deposited by the Association with the Insurance Trustee, whether the disbursements from the construction fund are to be upon the order of the Association or upon approval of an architect or otherwise, whether a disbursement is to be made from the construction fund, or whether surplus funds to be distributed are less than the assessments paid Owners. Instead, the Insurance Trustee may rely upon a certificate of the Association, executed by its President or Vice President and Secretary or Assistant Secretary, as to any or all of such matters stating that the sums to be paid are due and properly payable in the name of the designated payee and the amount to be paid; provided that when a mortgagee is herein required to be named as payee, the Insurance Trustee shall also name the mortgagee as payee of any distribution or insurance

proceeds to a Unit Owner; and, further provided that when the Association or a mortgagee which is the beneficiary of an insurance policy the proceeds of which are included in the construction fund so requires the approval of an architect named by the Association shall be first obtained by the Association prior to disbursements in payment of costs of reconstruction and repair.

18.07 Equitable Relief

In the event of "major damage" (as defined in Section 18.01 above) to or destruction of the Condominium Property, and if the Property is not repaired, reconstructed or rebuilt within a reasonable period of time, any Unit Owner shall have the right to petition a court of competent jurisdiction for equitable relief which may, but need not, include termination of the Condominium and partition.

Article 19 **TERMINATION OF CONDOMINIUM**

19.01 Requirements for Termination

If all Unit Owners and the holders of all liens and Mortgages upon all of the Condominium Parcels execute and duly record an instrument terminating the Condominium, or if "major damage" occurs as defined in and subject to Section 18.01 hereof, the Condominium Property shall be removed from the provisions of the Condominium Act and thereafter owned in common by the Unit Owners. The undivided interest in the Property owned in common by each Unit Owner shall then be the percentage of the undivided interest previously owned by such Owner in the Common Elements, and any liens which encumbered any Condominium Parcel shall be transferred to said undivided interest of the Unit Owner in the Property. All easements provided in this Declaration shall survive termination of the Condominium.

19.02 Establishing Purchase Price

If the Owners of at least eighty-five percent (85%) of the Common Elements elect to terminate, they shall have the option to buy the Units of the other Unit Owners for a period of sixty (60) days from the date of the meeting wherein the election to terminate was taken. The purchase price shall be the fair market value of the Units as of the date of said meeting as determined by arbitration under the rules of the American Arbitration Association. The price shall be paid in cash within thirty (30) days of the determination of the same.

Article 20 **RIGHTS OF MORTGAGEES**

20.01 Right to Notice

The Association shall make available for inspection upon request, during normal business hours or under reasonable circumstances, the Declaration and other condominium Documents, including the books, records and financial statements of the Association to Owners, prospective purchasers and the holders, insurers or guarantors of any first Mortgages encumbering Units. In addition, evidence of insurance shall be issued to each Unit Owner and mortgagee holding a mortgage encumbering a Unit upon written request to the Association.

20.02 General Rights of Mortgagees

Upon written request to the Association, identifying the name and address of the Mortgagee of a Mortgage encumbering a Unit and the legal description of such Unit, the Association shall provide such Mortgagee with timely written notice of the following:

A. Any condemnation, loss or casualty loss which affects any material portion of the Condominium or any Unit encumbered by a first Mortgage held, insured or guaranteed by such Mortgagee;

B. Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

C. Any proposed action which would require the consent of Mortgagees holding a mortgage encumbering a Unit; and

D. Any failure by an Owner owning a Unit encumbered by a Mortgage held, insured or guaranteed by such Mortgagee to perform his obligations under the Declaration of Condominium and other Condominium Documents, including, but not limited to, any delinquency in the payment of any Assessments, or any other charge owed to the Association by said Owner where such failure or delinquency has continued for a period of sixty (60) days.

20.03 Right of Mortgagee to Receive Financial Statement

Any Mortgagee shall, upon written request made to the Association, be entitled free of charge to financial statements from the Association for the prior fiscal year and the same shall be furnished within a reasonable time following such request.

20.04 Right to Cover Cost

Developer (until the turnover) and any Mortgagee shall have the right, but not the obligation, jointly or individually, and at their sole option, to pay any of the Assessments which are in default and which may or have become a charge against any Unit. Further, Developer (until the turnover) and any Mortgagees shall have the right, but not the obligation, jointly or individually, and at their sole option, to pay insurance premiums or fidelity bond premiums or any new tax on behalf of the Association where, in regard to insurance premiums, the premiums are overdue and where lapses in policies may or have occurred or, in regard to new taxes, where such tax is in default and which may or has become a charge against the Condominium Property. Developer and any Mortgagees paying insurance premiums or any new tax on behalf of the Association as set forth above shall be entitled to immediate reimbursement from the Association plus any costs of collection, including, but not limited to, legal fees.

Article 21
GENERAL PROVISIONS

21.01 Execution of Documents Required by Government

The Developer's plan for the development of this Condominium may require from time to time the execution of certain documents required by the County, or some other governmental agency having jurisdiction over this Condominium. To the extent that said documents require the joinder of Unit Owners, the Developer by its duly authorized officers may, as the agent or the attorney-in-fact for the Unit Owners, execute acknowledge and deliver such documents and the Unit Owners, by virtue of their acceptance of deeds to their Units, irrevocably nominate, constitute and appoint the Developer, through its duly authorized officers, as their proper and legal attorneys-in-fact for such purpose. Said appointment is coupled with an interest and is therefore irrevocable.

21.02 Eminent Domain or Condemnation Proceeding

If eminent domain or condemnation proceedings are successfully litigated against all or any part of the Condominium Property, the entire eminent domain or condemnation award is to be secured to the Association in accordance with the ratio of ownership herein provided as it pertains to the Common Elements, and shall be disbursed to Unit Owners and their mortgagees as their interests appear of record. The Association shall give to each Mortgagee requesting same in writing, prompt written notice of any such eminent domain or condemnation proceedings.

21.03 Severability

If any provision of this Declaration, the Articles, the Bylaws or the Condominium Act, or any section, sentence, clause, phrase or word, or the application thereof, in any circumstances is held invalid, the validity of the remainder of this Declaration, the Articles, the Bylaws, or the Condominium Act, and the application of any such invalid provision, section, sentence, clause, phrase, or word in other circumstances shall not be affected thereby.

21.04 Developer Rights

If the Developer holds Units for sale in the ordinary course of business, none of the following actions may be taken without the Developer's written approval:

- A. Assessment of the Developer as a Unit Owner for capital improvements, and
- B. Any action by the Association that would be detrimental to the Developer's sale of Units.

21.05 Notices

Notices to Unit Owners shall be sent by regular mail or hand delivery to their place of residence in the Condominium Building, unless the Unit Owner has, by written notice to the Association, specified a different address. Notices to the Association and the Developer shall be delivered by certified mail to 666 South Military Trail, Deerfield Beach, Florida 33442. All notices shall be deemed and considered sent when actually delivered or two (2) business days following mailing, whichever occurs first. Any party may change his or its mailing address by written notice to the other party.

21.06 Fines and Penalties

The failure of the Developer, or the Association, or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation of the Association, the Bylaws, or the Rules adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter. The Association may levy against any Owner a fine not in excess of \$100.00 for any single violation of the requirements of this Declaration, the Bylaws, or any Rule promulgated thereunder (except if specifically stated otherwise), after having been notified by the Association of such violation, provided notice and opportunity to be heard is provided as required by Rules of the Department of Business and Professional Regulation, Division of Florida Land Sales, Condominiums and Mobile Homes, State of Florida.

21.07 Violations and Remedies

The remedies for violations provided by the Condominium Act shall be in full force and effect. In addition thereto, should the Association find it necessary to institute legal proceedings, upon a finding by a court in favor of the Association, the defendant Unit Owner shall reimburse the Association for its costs of suit, including reasonable attorney's fees at both trial and appellate level, incurred by it in bringing such action.

21.08 Gender

Whenever the context so requires, the use of any gender shall be deemed to include all genders, the use of the plural shall include the singular and the singular shall include the plural.

21.09 Interpretation and Headings

The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the operation of the Condominium. The article and section headings have been inserted for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction. This Declaration shall be read as cumulative to and not in limitation of the Master Declaration. The Board shall be the ultimate interpreter of this Declaration and an opinion of its counsel that any such interpretation is fair and reasonable shall establish the validity of any such interpretation. Any use of the word "hereunder" or similar word shall refer to this Declaration (including all exhibits attached hereto) as a whole and not just the section in which such word appears, unless expressly stated to the contrary.

21.10 No Public Right or Dedication

Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Common Elements to the public or for any public use.

21.11 Constructive Notice and Acceptance

Every Person who owns, occupies or acquires any right, title, estate or interest in or to any Unit or any other portion of the Condominium shall be conclusively deemed to have consented and agreed to each and every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference hereto is contained in the instrument by which such Person acquired an interest in such Unit or other portion of the Condominium.

21.12 Limitations on Association's Authority

Except as provided by statute in case of condemnation or substantial loss to the Units and/or Common Elements, unless at least two-thirds of the Mortgagees (based upon one vote for each first mortgage owned), or Owners (other than the Developer) have given their prior written approval, the Association shall not be entitled to:

A. By act or omission seek to abandon or terminate the Condominium (except in accordance with Article 20 hereof);

B. Change the pro rata interest or obligations of any individual Unit for the purpose of (a) levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, or (b) determining the pro rata share of ownership of each Unit in the Common Elements;

C. Partition or subdivide any Unit;

D. By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Owners shall not be deemed a transfer within the meaning of this clause);

E. Use hazard insurance proceeds for losses to any portion of the Condominium for other than the repair, replacement or reconstruction of such portion.

21.13 Parking Areas

Parking for Unit Owners shall be located within driveway areas designated as Limited Common Elements, with additional guest parking areas designated as Common Elements, which are shown as parking areas. The Developer (and upon "turnover" of the Association, thereafter the Board of Directors of the Association) shall assign one or more exclusive parking spaces to Unit Owners; provided, however, the Association shall not have the right to change the location and number of such parking spaces at any time, except upon the written approval of the affected Unit Owner(s), or due to condemnation, destruction or governmental regulations. Any damage to a parking space incurred during the time a space is assigned for the exclusive use of a Unit, whereby damage is caused or suffered beyond normal wear and tear (e.g., pot holes caused by dripping fluids) shall be repaired by the Association and chargeable as a Common Expense of the Association; provided, however, the Association shall be indemnified and held harmless from all expenses or liability incurred and all of such costs, together with interest at the rate of fifteen percent (15%) per annum from the date when such payments were due and any and all costs and attorneys' fees incurred in connection with the collection of such sum, shall be paid by and charged against the Unit to which such space was exclusively assigned for prompt reimbursement to the Association.

21.14 Developer Exemptions

A. Anything to this Declaration to the contrary, notwithstanding, so long as the Developer owns, occupies or uses any portion of the Condominium Property:

(1) Nothing herein shall be construed to prevent, limit, or impair the Developer's right and ability to complete development of

the Condominium in any manner determined by the Developer, from time to time, including, without limitation, the Developer's right to maintain models, gates, sales and leasing offices, construction offices and activities, promotional activities, and signage; and

(2) The Association shall take no action which, in the Developer's opinion, would adversely affect the Developer's marketing program with respect to Units or other residential dwelling units.

B. Notwithstanding anything herein or any rule or regulation of the Association to the contrary, the Developer as well as any company affiliated with Developer, or other person approved in writing by the Developer shall be irrevocably empowered without any limitation at all times, whether for permanent or temporary occupancy, to sell Units owned by the Developer. The Developer (and any person or affiliated company designated by the Developer as above provided) shall at all times act fairly and reasonably in its exercise of the rights reserved by this Section 21.14.

21.15 No Representations or Warranties

No representations or warranties of any kind, express or implied, have been given or made by Developer or its agents or employees in connection with any portion of the Property, its physical condition, zoning, compliance with applicable laws, merchantability, habitability, fitness for a particular purpose, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof, except (a) as specifically and expressly set forth in this Declaration or in written documents delivered by Developer to any owner, and (b) as otherwise required by law.

21.16 Association Rights and Obligations

A. The Association may operate other condominiums in addition to this Condominium, in accordance with Sections 718.405, 718.110(12), 718.113, and 718.115(1)(b) and (c), Florida Statutes. In such case, in addition to the individual expenses of each such other condominium, the Association itself will have Common Expenses applicable to all condominiums which it operates, including, but not limited to management and administrative costs of the Association itself ("Association Expenses"). A portion of Association Expenses shall be Common Expenses of this Condominium. The proportionate share of Association Expenses for which each Unit in this Condominium is obligated as a Common Expense of this Condominium shall be determined by multiplying the Association Expenses by a fraction, the numerator of which is one and the denominator of which is equal to the total number of condominium units, including the Units, which are operated by the Association at the time the current operating budget for the Association is (was) adopted.

B. The Association shall be required to maintain (e.g. cleanup, landscape and landscape maintenance) property adjacent to the Condominium Property owned by state, county, or municipal authorities, or by any other party which has granted to the Association and the Association has accepted an easement to maintain such property, to the extent that (i) the deterioration of such adjacent property would adversely affect the appearance of the Condominium Property, (ii) the standard of maintenance of the governmental or other entity owning such property is less than the standard of maintenance adopted by the Association for Condominium Property

and (iii) appropriate approval or consent is available from the owner of such adjacent property to allow the Association to maintain it.

21.17 Assignment of Developer's Rights

The rights of the Developer under this Declaration may be assigned any number of times, in whole or in part, on either an exclusive or non-exclusive basis by written instrument recorded in the public records of the County. Any partial assignee shall not be deemed the Developer, nor shall it be burdened by any of Developer's obligations arising under this Declaration, except as expressly and specifically assigned and assumed. No assignee shall have any liability for any acts of Developer or any prior developer, prior to the date of assignment or transfer, unless such assignee is assigned and agrees to assume such liability.

21.18 Real Property Covenants

All of the restrictions, reservations, covenants, conditions and easements contained herein, constitute covenants running with the land and shall run perpetually unless terminated or amended as provided herein, and shall be binding upon all Owners, and in consideration of receiving and by acceptance of any deed, grant, devise or mortgage, all grantees, devisees, or Mortgagees, their heirs, personal representatives, successors and assigns, and all parties claiming by, through or under such persons, agree to be bound by the provisions of this Declaration and all exhibits attached hereto, including the Articles and Bylaws. Both the burdens imposed and the benefits derived from this Declaration shall run with each Unit, and all portions of the Condominium, as may be amended from time to time.

21.19 Disclaimers as to Water Bodies

Neither Developer, the Association, nor any of their officers, directors, committee members, employees, management agents, contractors or subcontractors (hereinafter collectively called the "Listed Parties"), shall be liable or responsible for maintaining or assuring the water quality or level in any lake, pond, canal or other water body within or adjoining the Condominium Property. Further, all Owners and users of any portion of the Condominium Property located adjacent to or having a view of any of the aforesaid water bodies shall be deemed, by virtue of their acceptance of the deed to or use of such Condominium Property, to have agreed to hold harmless the Listed Parties for any or all changes in the quality and level of the water in such bodies. All persons are hereby notified that, from time to time, alligators and other wildlife may habitat or enter into water bodies within the Condominium Property and may pose a threat to persons, pets and property, but at the Listed Parties are under no duty to protect against, and do not in any manner warrant against, any death, injury or damage caused by such wildlife.

21.20 Location of Fire Station

Directly South of and adjacent to the Condominium Property is located a parcel of real property which is anticipated to be ultimately developed and constructed as a city or county fire station. Developer does not represent or warrant to Owners in any way whatsoever when, how and in what fashion such improvements to the adjacent parcel will be completed, and nothing herein shall be construed as representing the type and manner in which such adjoining parcel shall be improved.

IN WITNESS WHEREOF, this Declaration of Condominium has been duly executed on this

OF

a Florida not for profit corporation

(Original Articles of Incorporation
filed with the Secretary of State of
the State of Florida on May 21, 2003)

Pursuant to Sections 617.1002, 617.1006 and 607.1007 of the Florida Business Corporation Act (the "FBCA"), the Articles of Incorporation of the undersigned corporation are hereby amended and restated in their entirety as follows:

ARTICLE I
NAME

The name of the corporation shall be CHAMBORD CONDOMINIUM ASSOCIATION, INC. For convenience, the corporation shall be referred to in this instrument as the "Association," these Articles of Incorporation as the "Articles," and the Bylaws of the Association as the "Bylaws."

ARTICLE II
PURPOSE

The purpose for which the Association is organized is to provide an entity pursuant to the Florida Condominium Act (the "Act"), as it exists on the date hereof for the operation of a condominium (the "Condominium"). It is intended that the Condominium will consist of fifty-six (56) coach homes ("Units"); provided, however, such number may be changed from time to time pursuant to Section 718.110(4) of the Act. Notwithstanding the foregoing, the Association may operate other condominiums in addition to the Condominium in accordance with the Act and Section 22.16 of the Declaration (as that term is defined in Article III below).

ARTICLE III
DEFINITIONS

The terms used in these Articles shall have the same definitions and meaning as those set forth in the DECLARATION OF CONDOMINIUM OF CHAMBORD AT FRENCHMAN'S RESERVE, A CONDOMINIUM (the "Declaration") to be recorded in the Public Records of Palm Beach County, Florida, and/or the Bylaws, unless herein provided to the contrary, or unless the context otherwise requires.

ARTICLE IV
POWERS

The powers of the Association shall include and be governed by the following:

- 4.1 General. The Association shall have all of the common-law and statutory powers of a not for profit corporation under the laws of Florida that are not in conflict with the provisions of these Articles, the Declaration, the Bylaws, or the Act.
- 4.2 Enumerated. The Association shall have all of the powers and duties set forth in the Act, except as limited by these Articles, the Bylaws and the Declaration, and all of the powers and duties reasonably necessary to operate and administer the Condominium, pursuant to the Declaration and as more particularly described in the Bylaws and these Articles, as they may be amended from time to time, including, but not limited to, the following:
- (a) To make and collect Assessments and other charges against "Members" of the Association (as defined in Article 5 hereof) as Unit Owners (the "Owners" or "Unit Owners"), and to use the proceeds thereof in the exercise of its powers and duties.

 - (f) To approve or disapprove the leasing, transfer, ownership and possession of Units as may be provided by the Declaration.
 - (g) To enforce by legal means the provisions of the Act, the Declaration, these Articles, the Bylaws, and the rules and regulations for the use of the Condominium Property and "Association Property" (as hereinafter defined in Article 4.3 hereof), subject, however, to the limitation regarding assessing Units owned by "Declarant" (as defined in the Declaration) for fees and expenses relating in any way to claims or potential claims against Declarant as set forth in the Declaration and/or Bylaws.
 - (h) If applicable, to contract for the management and maintenance of the Condominium Property and Association Property, and to authorize a management agent (who may be an affiliate of the Declarant) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection

of Assessments, preparation of records, enforcement of rules and maintenance, repair and replacement of the Common Elements with funds as shall be made available by the Association for such purposes. The Association, including its Board of Directors and all officers, shall, however, retain at all times the powers, and duties granted by the Condominium Act, and the Declaration, including, but not limited to the making of Assessments, promulgation of rules and execution of contracts on behalf of the Association.

- (I) To employ personnel to perform the services required for the proper operation of the Condominium.

ARTICLE V MEMBERS

- 5.1 Membership. The members of the Association ("Members") shall consist of the Declarant and all of the record title Owners of Units in the Condominium from time to time, and after termination of the Condominium, shall also consist of those who were Members at the time of such termination, and their successors and assigns, as further described in the Declaration.

- 10.1 Indemnity. The Association shall indemnify any Board Member or officer, or their agents, who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such party is or was a director, employee, officer, or agent of the Association, against expenses (including attorneys' fees and appellate attorneys' fees) judgments, fines and amounts paid in settlement actually and reasonably incurred by such party in connection with such action, suit or proceeding, unless (a) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed indemnitee, that such party did not act in good faith or in a manner such party reasonably believed to be in, or not opposed to, the best interest of the Association, and with respect to any criminal action or proceeding, that such party had reasonable cause to believe that his or her conduct was unlawful, and (b) such court also determines specifically that indemnification should be denied. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in, or not opposed to, the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that such person's conduct was unlawful.
- 10.2 Expense. **BYLAWS OF
CHAMBORD CONDOMINIUM ASSOCIATION, INC.
a Florida corporation not for profit
organized under the laws of the State of Florida**

**Article 1
GENERAL**

1.1 **The Name.** The name of the Corporation shall be CHAMBORD CONDOMINIUM ASSOCIATION, INC., hereinafter referred to as the "Association."

1.2 **Principal Office.** The principal office of the Corporation shall be at 666 South Military Trail, Deerfield Beach, Florida 33442, or at such other place as may be subsequently designated by the Board of Directors.

1.3 **Identity.** In addition to these Bylaws being the Bylaws of the Association, these bylaws are established pursuant to the Florida Condominium Act, Chapter 718, Florida Statutes ("Act") for the purpose of administering, operating and managing Chambord at Frenchman's Reserve, a Condominium (the "Condominium").

1.4 **Definitions.** As used herein, these Bylaws shall be referred to as the "Bylaws," the Articles of Incorporation of the Association as the "Articles," the term "Corporation" shall be the equivalent of "Association," "Developer" shall be equivalent to the "Declarant" as both may be used and interchanged throughout these Bylaws, the Articles, and the Declaration. All other words as used herein shall have the same definitions as attributed to them in the Declaration of Condominium of Chambord at Frenchman's Reserve, A Condominium ("Declaration"). Any terms not defined in the Declaration shall have those definitions established by the Act.

**Article 2
MEMBERSHIP AND VOTING PROVISIONS**

2.1 **Membership.** Membership in this Association shall be as specified in the Articles and the Declaration and shall be limited to Unit Owners in the Condominium. Transfer of Unit ownership, either voluntarily or by operation of law, shall automatically terminate membership, and the transferee shall automatically become a Member of this Association. If Unit ownership is vested in more than one person, all of the persons owning a Unit shall be eligible to hold office, attend meetings, etc.; but, as hereinafter indicated, the vote of a Unit shall be cast by the Voting Member. If Unit ownership is vested in a corporation, the corporation may designate an individual officer or employee as its Voting Member. Developer, or its assignee, nominee, designee or successor, as a Unit Owner of unsold Units, shall be deemed a Unit Owner and Member of this Association.

2.2 **Voting.** In any meeting of members, the Unit Owner of each Unit shall be entitled to one (1) vote. If a Unit Owner owns more than one Unit, he shall be entitled to one (1) vote for

each Unit owned. The vote of a Unit shall not be divisible. Unless otherwise set forth herein or in the Act, matters shall be voted on by the membership of the Association and shall be determined by a vote of a majority of the voting interests ("Voting Interests") to be cast by the Members in attendance at any meeting having a quorum.

2.3 **Quorum.** Unless otherwise provided in these Bylaws, the presence, in person, or by proxy, of 33-1/3 of the Voting Interests of the Association constitutes a quorum. Voting rights of no Unit Owner may be suspended pursuant to the provisions of the Declaration of these bylaws for any violation of same, pursuant to Section 718.106, Florida Statutes. A quorum is not required for elections conducted by the Association, pursuant to Section 718.112(2)(d), Florida Statutes.

2.4 **Proxies.** Except where otherwise provided by law, in the Declaration, the Articles of Incorporation or in these Bylaws (including, but not limited to Section 4.2 hereof), votes may be cast in person or by proxy. All proxies shall be in writing, signed by the person entitled to vote, shall be filed with the Secretary of the Association prior to, or at, the meeting at which they are to be used, and shall be effective only for the specific meeting for which they were originally given and any lawfully adjourned meetings thereof. In no event shall any proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the Unit Owner executing it. Where a Unit is owned jointly by a husband and wife, and they have not designated one of themselves as a Voting Member, a proxy must be signed by both in order to designate a third person as proxy. Limited proxies and general proxies may be used to establish a quorum. Limited proxies must be used for votes taken to: (i) waive or reduce reserves; (ii) waive financial statement requirements; (iii) amend the Declaration; (iv) amend the Articles of Incorporation or Bylaws; and (v) for any other matter for which the Florida Condominium Act requires or permits a vote of the Unit Owners. (No proxy, limited or general, shall be used in the election of Board members). General proxies may be used for other matters for which limited proxies are not required, and may also be used in voting for non-substantive changes to items for which a limited proxy is required and given. (Notwithstanding the provision of this subsection 2.4, Unit Owners may vote in person at Unit Owner meetings.) Notwithstanding the foregoing, in accordance Rule 61B-23.0026(2)(d), Florida Administrative Code, when both the Developer and Unit Owners are entitled to representation on a board of administration pursuant to Section 718.301, Florida Statutes, or Rule 61B-23.003, Florida Administrative Code, only Unit Owners other than the Developer may vote, in person or by limited proxy, to fill a vacancy on the board previously occupied by a board member elected by Unit Owners other than the Developer.

2.5 **Designation of Voting Member.** If a Unit is owned by one person, his right to vote shall be established by the record title to the Unit. If a Unit is owned by more than one person, the person entitled to cast the Unit's vote shall be designated in a certificate to be filed with the Secretary, signed by all of the record Unit Owners of the Unit. If a Unit is owned by a corporation, it shall designate the officer, employee or agent entitled to cast the Unit's vote by executing a certificate to be filed with the Secretary of the Association, signed by its President or Vice President and attested to by its Secretary or Assistant Secretary. The person designated in such certificate shall be known as the Voting Member. If, for a Unit owned by more than one person or by a corporation,

such certificate is not on file with the Secretary of the Association, the vote of the Unit shall not be counted in determining the presence of a quorum, or for any purpose requiring the approval of the person entitled to cast the vote for the Unit, except if said Unit is owned jointly by a husband and wife. Such certificate shall be valid until revoked or superseded by a subsequent certificate, or until a change occurs in the ownership of the Unit. If a Unit is owned jointly by a husband and wife, the following provisions are applicable:

- A. They may, but they shall not be required to, designate a Voting Member;
- B. If they do not designate a Voting Member, and if both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting;
- C. Where they do not designate a Voting Member, and only one is present at a meeting, the person present may cast the Unit's vote.

Article 3

MEMBERSHIP AND MEETINGS

3.1 **Place.** All meetings of Members shall be held at the principal office of the Association or at such other place and at such time as shall be designated by the Board and stated in the notice of meeting.

3.2 **Notice.** It shall be the duty of the Secretary to send by regular mail or deliver a notice of each annual or special meeting to each Unit Owner, and to post a copy of said notice in a conspicuous place on the property, at least fourteen (14) continuous days but not more than thirty-five (35) days prior to such meeting pursuant to Section 718.112(2)(d)(2), Florida Statutes. Notwithstanding the foregoing, not less than sixty (60) days before a scheduled election, the Secretary shall mail or deliver to each Unit Owner a first notice of the date of election in accordance with Section 718.112(2)(d)(3), Florida Statutes, and as detailed in Section 4.2 herein. Together with the notice to be provided in accordance with the first sentence of this Section 3.2, the Secretary shall mail or deliver a second notice of election. Notice of any meeting shall list the time, place and purpose thereof and shall incorporate an identification of agenda items. Upon notice to the Unit Owners, the Board shall, by duly adopted rule, designate a specific location on the Condominium property upon which all notices of Unit Owner meetings shall be posted. Unless a Unit Owner waives in writing the right to receive notice of the annual meeting by mail, the notice of the annual meeting shall be sent by mail to each Unit Owner. All notices shall be mailed to or served at the address of the Unit Owner as it appears on the books of the Association. Proof of posting, delivery or mailing of the notice (if required) shall be given by the affidavit of the person serving the notice or by a U.S. post office certificate of mailing and such proof shall be retained in the official records of the Association as proof of such mailing. Notice of specific meetings may be waived before or after the meeting.

3.3 **Annual Meeting.** There shall be an annual meeting of the Unit Owners for the purpose of electing directors and transacting any other authorized business shall be held at 8:00 p.m., Eastern Standard Time, on the first Tuesday in December of each year, or at such other time as shall be selected by the Board of Directors. At the annual meeting, the Members shall elect a Board by plurality vote (cumulative voting prohibited), and shall transact such other business as may be properly brought before the meeting.

3.4 **Special Meetings.** Special meetings of the Members for any purpose, unless otherwise prescribed by statute, may be called by the President, or shall be called by the President or Secretary at the request, in writing, of a majority of the Board of Directors or at the request, in writing, of Voting Members representing forty percent (40%) of the Voting Interests. Such requests shall state the purpose of the proposed meeting. Business transacted at all special meetings shall be confined to the subjects stated in the notice of meeting.

3.5 **Action by Members without a Meeting.** Notwithstanding anything herein to the contrary, any action required to be taken at any annual or special meeting of Members, or any action which may be taken at any annual or special meeting of such Members may, to the extent same is lawful, be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken, is signed by the Members (or persons authorized to cast the vote of any such Members as elsewhere herein set forth) having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of Members at which a quorum of Members (or authorized persons) entitled to vote thereon were present and voted. Within ten (10) days after obtaining such authorization by written consent, notice must be given to Members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

3.6 **Adjourned Meeting.** If any meeting of Members cannot be organized because a quorum is not present, either in person or by proxy, the meeting shall be adjourned from time to time until a quorum is present.

3.7 **Order of Business.** The order of business at annual Members' meetings and as far as practical at other Members' meetings, shall be:

- A. Collection of election ballots (if applicable);
- B. Calling to order by President or Chairman;
- C. Appointment of chairman of the meeting by the President or, in his absence, by a majority of the Board of Directors. The chairman may be the attorney for the Association or a representative of the Association's management company who will conduct the meeting without vote;
- D. Calling of the roll and certifying of proxies;

- E. Proof of notice of the meeting or waiver of notice;
- F. Reading and disposal of any unapproved minutes;
- G. Reports of officers;
- H. Reports of committees;
- I. Appointment of inspectors of election;
- J. Determination of number of directors;
- K. Election of directors;
- L. Unfinished business;
- M. New business; and
- N. Adjournment.

3.8 **Minutes of Meeting.** The minutes of all meetings of Unit Owners shall be kept in a book available for inspection by Unit Owners or their authorized representative and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.

Article 4 **DIRECTORS**

4.1 **Membership.** The affairs of the Association shall be managed by a Board of not less than three (3), nor more than nine (9) Directors.

The exact number of Directors will be determined from time to time upon majority vote of the membership. The Board may not appoint other officers without the majority vote of the membership. All Directors shall be Unit Owners, or, in the case of partnership Unit Owners, shall be members or employees of such partnerships; or, in the case of corporate Unit Owners, shall be directors, officers, stockholders or employees of such Corporation; or, in the case of fiduciary Unit Owners, shall be the fiduciaries or their beneficiaries, or directors, officers, stockholders or employees of a corporate fiduciary, or their corporate beneficiary, or partners or employees of a partnership fiduciary. No Director shall continue to serve on the Board after he ceases to be a Unit Owner or an interested party in a Unit Owner as specified in the preceding sentence. The above provisions of this subsection 4.1 and subsection 4.2 shall not apply to Directors elected by the Developer in accordance with subsection 4.15 hereof.

4.2 **Election of Directors.** Election of Directors shall be conducted in the following manner:

A. Election of directors shall be held at the annual Members' meeting, except as provided herein to the contrary.

B. The Board of Directors shall be elected by written ballot or voting machine. Proxies shall not be used in the election of the Board of Directors, either in general elections or elections to fill vacancies caused by recall, resignation, or otherwise; however, if a majority or more of the existing Board is recalled at the meeting, proxies may be used for the election to fill these vacancies, in accordance with Rule 61B-0027(3)(e)2, Florida Administrative Code. Elections shall be decided by a plurality of those ballots cast. There shall be no quorum requirement; however, at least twenty percent (20%) of the eligible votes must cast a ballot in order to have a valid election of members of the Board of administration. No Unit Owner shall permit any other person to vote his ballot, and any such ballots improperly cast shall be deemed invalid. Notwithstanding the foregoing, in accordance Rule 61B-23.0026(2)(d), Florida Administrative Code, when both the Developer and Unit Owners are entitled to representation on a board of administration pursuant to Section 718.301, Florida Statutes, or Rule 61B-23.003, Florida Administrative Code, only Unit Owners other than the Developer may vote, in person or by limited proxy, to fill a vacancy on the board previously occupied by a board member elected by Unit Owners other than the Developer.

C. Written notice of the scheduled election shall be mailed to each Member at his last known address as it appears on the books of the Association. The first notice of the date of the election shall be mailed to each Member not less than sixty (60) days before the scheduled election. The first notice must contain the name and correct mailing address of the Association.

D. Any Unit Owner or other eligible person desiring to be a candidate for the Board shall give written notice to the Association not less than forty (40) days before the scheduled election. Written notice shall be effective when received by the Association.

E. Upon the timely request of the candidate as set forth in this subparagraph, the Association shall include, with the second notice of election described in Paragraph G below, a copy of an information sheet which may describe the candidate's background, education and qualifications as well as any other factors deemed relevant by the candidate. The information sheet shall not exceed one side of a sheet which shall be no larger than eight and one-half (8-1/2) by eleven (11) inches. Any candidate desiring the Association to mail or personally deliver copies of an information sheet to the eligible voters must furnish the information sheet to the Association not less than thirty-five (35) days before the election. The failure of the Association to mail or personally deliver a copy of a timely delivered information sheet of each eligible candidate to the eligible voters shall render any election held null and void. The Association shall not edit, alter or otherwise modify the content of the information sheet. The original copy provided by the candidate shall become part of the official records of the Association. The Association has no liability for the contents of the information sheets prepared by the candidates.

F. The Association shall mail or deliver to the eligible voters at the addresses listed in the official records of the Association a second notice of the election, together with a ballot which shall list all candidates and any information sheets timely submitted by the candidates. The second notice and accompanying documents shall not contain any communication by the Board which endorses, disapproves or otherwise comments on any candidate. Accompanying the ballot shall be an outer envelope addressed to the person or entity authorized to receive the ballots and a smaller inner envelope in which the ballot shall be placed. The exterior of the outer envelope shall indicate the name of the voter and the Unit or Unit numbers being voted and shall contain a signature space for the voter. Once the ballot is completed, the voter shall place the completed ballot in the inner smaller envelope and seal that envelope. The inner envelope shall then be placed within the larger outer envelope and the outer envelope shall then be sealed. Each inner envelope shall contain only one ballot, but if a person is entitled to cast more than one ballot, the separate inner envelopes required may be enclosed within a single outer envelope. The voter shall sign the exterior of the outer envelope in the space provided for his signature. The outer envelope shall either be mailed or hand delivered to the Association. Upon receipt by the Association, no ballot may be rescinded or changed.

G. The written ballot shall indicate in alphabetical order by surname, each and every Unit Owner or other eligible person who desires to be a candidate for the Board and who gave written notice to the Association not less than forty (40) days before a scheduled election, unless such person has, prior to the mailing of the ballot, withdrawn his candidacy in writing. No ballot shall indicate which candidates are incumbents on the Board. No write-in candidates shall be permitted. No ballot shall contain a section providing for the signature of a voter. All ballot forms shall be uniform in color and appearance. Envelopes containing ballots received by the Association shall be retained and collected by the Association and shall not be opened except in the manner hereinafter provided and in accordance with the Act

H. Any envelopes containing ballots not prevalidated as provided in subsection 4.2(1) below shall be collected by the Association and shall be transported to the location of the election. Either the Board or persons appointed by the Board shall validate and process the ballots. The Association shall have available additional blank ballots at the meeting for distribution to the eligible voters who have not cast their votes. Each ballot distributed at the meeting shall be placed in an inner and outer envelope. At the meeting, as the first order of business, ballots not yet cast shall be collected. Next, the signatures and Unit identifications on the outer envelopes shall be checked against the list of qualified voters, unless previously verified as set forth in subsection 4.2(1) below. Any exterior envelope not signed by the eligible voter shall be marked "disregarded" and any ballots contained therein shall not be counted. The voters shall be checked off on the list as having voted. Then, in the presence of any Unit Owners in attendance, and regardless of whether a quorum is present, all inner envelopes shall be first removed from the outer envelopes and shall be placed in a receptacle. Upon the commencement of the opening of the outer envelopes, the polls shall be closed, and no more ballots shall be accepted. Inner envelopes shall then be opened and the ballots shall be removed and counted in the presence of any Unit Owners. Any inner envelopes containing more than one ballot shall be marked "disregarded" and any ballots contained therein shall not be

counted. All envelopes and ballots, whether disregarded or not, shall be retained as part of the official records of the Association. Board members whose terms expire and who are not reelected shall relinquish their Board positions, and those positions shall be assumed by the duly elected Board members.

I. The Association may verify outer envelope information in advance of the meeting by following the procedure set forth in Section 718.112(2)(d)(3), Florida Statutes, and Rule 61B-23.001, Florida Administrative Code.

J. The Board shall not create or appoint any committee for the purpose of nominating a candidate or candidates for election to the Board. However, the Board may create or appoint a search committee which shall not have the authority to nominate any candidate, but may encourage qualified persons to become candidates for the Board.

K. The provisions of this subsection 4.2(B) through 4.2(J), inclusive, are in accordance with Section 718.112(2)(d)(3), Florida Statutes, and Rule 61B-23.0021, Florida Administrative Code. In the event such statute or rule is repealed, the Board shall determine the procedure for elections of directors. In the event said statute or rule is amended, these Bylaws shall be deemed automatically amended to comply with any such changes.

L. The provisions of this subsection 4.2 may be amended by a sixty-five percent (65%) vote of the total Voting Interests to provide for different voting and election procedures, provided that the proposed amendments comply with Florida law, as amended from time to time. Notwithstanding the foregoing, pursuant to Section 718.112(2)(d), Florida Statutes, the Association may, by affirmative vote of a majority of the total voting interests, provide for alternative voting or election procedures, including the use of proxies.

M. Notwithstanding anything contained herein to the contrary, balloting is not necessary to fill any vacancy unless there are two (2) or more eligible candidates for that vacancy. In such case, not later than the date of the scheduled election, the Association shall call and hold a meeting of the membership to announce the names of the new Board members, or shall notify the Unit Owners that one or more Board member positions remain unfilled, as appropriate under the circumstances. In the alternative, the announcement may be made at the annual meeting.

N. At any duly convened regular or special meeting of Members at which a quorum is present, any one or more of the directors may be removed, with or without cause, by the affirmative vote of Voting Members casting not less than a majority of the total votes of the Association. A successor may then and there be elected to fill any vacancies created. Should the membership fail to elect a successor, the Board may fill the vacancy in the manner provided below. Notwithstanding the foregoing, as provided in Rule 61B-23.0026, Florida Administrative Code, directors appointed by the Developer may only be removed by the Developer and directors appointed by the Unit Owners may only be removed by the Unit Owners.

O. Except as to vacancies resulting from removal of Directors by Members, if the office of any Director becomes vacant by reason of death, resignation, retirement, disqualification, or otherwise, a majority of the remaining Directors, though less than a quorum, shall choose a successor who shall hold office for the balance of the unexpired term of office. The election held for the purpose of filling said vacancy may be held at any regular or special meeting of the Board.

P. Any Director may resign at any time by sending a written notice of such resignation to the office of the Association, addressed to the President or Secretary. Unless otherwise specified therein, such resignation shall take effect upon receipt thereof by the Secretary. Commencing with the organizational meeting of any newly elected Board, more than three (3) consecutive absences unless excused by resolution of the Board shall automatically constitute a resignation from the Board. The transfer by a Director of title to his parcel shall, effective as of the date of title transfer, automatically constitute a resignation from the Board.

Q. Until a majority of the Directors are elected by the Members other than the Developer, however, neither the first directors of the Association nor any directors replacing them nor any directors named by the Developer shall be subject to removal by members other than the Developer. The first directors and directors replacing them may be removed by the Developer.

4.3 **Term.** Vacancies on the Board caused by the expiration of a Director's term shall be filled by electing new Board members. The term of each director's service shall extend until the next annual meeting of the Members and subsequently until his successor is duly elected and qualified, or until he is removed in the manner elsewhere provided, and provided that the first Board shall serve in accordance with subsection 4.15 hereinafter.

4.4 **Recall.** Subject to the provisions of Section 718.301, Florida Statutes, and subject to the provisions of Article 4 of these Bylaws, any member of the Board may be recalled and removed from office with or without cause by the vote or agreement in writing by a majority of all Voting Interests. A special meeting of the Unit Owners to recall a member or members of the Board may be called by ten percent (10%) of the Voting Interests giving notice of the meeting as required for a meeting of Unit Owners, and the notice shall state the purpose of the meeting. The recall of a Director shall be further governed by Section 718.112(2)(j), Florida Statutes.

4.5 **Organizational Meeting.** The organizational meeting of a newly elected Board shall be held after their selection within ten (10) days of their election, at such place and time as shall be fixed by the directors at the meeting at which they were elected. Adequate notice of such meeting shall be posted conspicuously on Condominium property at least forty-eight (48) continuous hours preceding such meeting, except in the case of emergency, and no further notice of the organizational meeting shall be necessary.

4.6 **Regular Meetings.** Regular meetings of the Board may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Notice of regular

meetings shall be given to each Director, personally, or by mail, telephone or telegraph, and shall be transmitted at least three (3) days prior to the meeting. Regular meetings of the Board and any committee thereof at which a quorum of the members of that committee are present, shall be open to all Unit Owners, and notice of such meetings, which notice shall specifically state an identification of agenda items, shall be posted conspicuously at each Condominium forty-eight (48) continuous hours preceding the meeting for the attention of the Members of the Association except in the event of an emergency. Any item not included on the notice may be taken upon an emergency basis by at least a majority plus one (1) member of the board. Such emergency action shall be noticed and ratified at the next regular meeting of the board. However, written notice of any meeting at which non-emergency special assessments, or at which amendments to rules regarding Unit use will be proposed, discussed or approved, shall be mailed or delivered to the Unit Owners and posted conspicuously on the Condominium property not less than fourteen (14) days prior to the meeting. Evidence of compliance with this fourteen (14) day notice shall be made by an affidavit executed by the Secretary and filed among the official records of the Association. Upon notice to the Unit Owners, the Board shall, by duly adopted rule, designate a specific location on the Condominium property upon which all notices of Board meetings shall be posted. Notice of any meeting where regular assessments against Unit Owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments. The right of a Member to attend such meetings includes the right of the Member to speak at such meetings with reference to all designated agenda items. A Member does not have the right to speak with reference to items not specifically designated on the agenda, but the Board, in its discretion, may permit a Member to speak on such items. The Board may adopt reasonable rules governing the frequency, duration, and manner of Unit Owner statements. Any Member may tape record or videotape meetings of the Board, committee or Members; provided, however, that the equipment utilized does not produce distracting sound or light emissions and subject to any rules which may be adopted by the Board regarding placement, assemblage or usage of audio and video equipment, prior notice to record the meeting, and distraction resulting from moving about during recording of the meeting.

4.7 **Special Meetings.** Special meetings of the Directors may be called by the President or, in his absence, by the Vice President, and must be called by the President or Secretary at the written request of two-thirds (2/3) of the Directors. Notice of the meeting shall be given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting, and shall be transmitted not less than three (3) days prior to the meeting. Special meetings of the Board shall be open to all Unit Owners, and notice of a special meeting shall be posted conspicuously at each Condominium forty-eight (48) continuous hours in advance for the attention of the Members of the Association except in the event of an emergency. However, written notice of any special meeting at which non-emergency special assessments, or at which amendments to rules regarding Unit use will be proposed, discussed or approved, shall be mailed or delivered to the Unit Owners or posted conspicuously on the Condominium property not less than fourteen (14) days prior to the meeting. Evidence of compliance with this fourteen (14) day notice shall be made by an affidavit executed by the Secretary and filed among the official records of the Association. Upon notice to the Unit Owners, the Board shall, by duly adopted rule, designate a specific location on the

Condominium property upon which all notices of Board meetings shall be posted. Notice of any meeting where regular assessments against Unit Owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments. The right of a Member to attend such special meetings includes the right of the Member to speak at such meetings with reference to all designated agenda items. The provisions set forth in Section 4.6 hereof with respect to speaking at meetings and recording of meetings shall also apply to special meetings.

4.8 **Waiver of Notice.** Any director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the giving of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

4.9 **Quorum and Voting.** A quorum at directors meetings shall consist of a majority of the entire Board. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board, except when approval by a greater number of directors is required by the Declaration, the Articles or these Bylaws. Directors may not vote by proxy or secret ballot at Board meetings, except, if allowed by statute, for election of officers. A vote or abstention for each director present shall be recorded in the minutes

4.10 **Adjourned Meetings.** If, at any meeting of the Board, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any adjourned meeting any business that might have been transacted at the meeting as originally called may be transacted without further notice.

4.11 **Presiding Officer.** The presiding officer of the directors' meetings shall be chairman of the Board if such an officer has been elected; and if none, the President shall preside. In the absence of the presiding officer, the directors present shall designate one of their number to preside. The President or, in his absence, a majority of the Board, may appoint, without vote, the attorney of the Association or a representative of the Association's management company to act as chairman to conduct the meeting.

4.12 **Order of Business.** The order of business at directors' meetings shall be:

- A. Calling of roll;
- B. Proof of due notice of meeting;
- C. Reading and disposal of any unapproved minutes;
- D. Reports of officers and committees;

- E. Election of officers:
- F. Unfinished business:
- G. New business; and
- H. Adjournment.

4.13 **Minutes of Meetings.** The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Unit Owners, or their authorized representative, and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.

4.14 **Compensation.** Directors shall not be entitled to any compensation for their services unless compensation is granted by a majority of the Voting Members at a membership meeting. Directors may be compensated for services performed outside the scope of their services as directors. Notwithstanding anything to the contrary contained in this subsection 4.14, no director, officer or manager required to be licensed under Section 486.432, Florida Statutes, shall solicit, offer to accept, or accept any thing or service of a value for which consideration has not been provided for his own benefit or that of his immediate family, from any person providing or proposing to provide goods or services to the Association. Any such individual who knowingly so solicits, offers to accept, or accepts any thing or service of value is subject to a civil penalty pursuant to Section 718.501(1)(d), Florida Statutes. However, this subsection 4.14 does not prohibit a director, officer or manager from accepting services or items received in connection with trade fairs or education programs.

4.15 **Developer Control of Board; Turnover.** Developer shall initially appoint three (3) Directors and then thereafter, shall have the right to appoint and replace all Directors and Officers; provided, however, upon the sale or transfer by Developer of fifteen percent (15%) of the Units to Unit Owners other than the Developer, the Members other than the Developer shall be entitled to elect, at a meeting of Members, one-third of the Directors to the Board. Upon the election of such Director by Members other than the Developer, the Developer shall designate one of the three Directors appointed by it to resign. This procedure is intended to give Members other than the Developer a non-controlling minority voice in the operation of the Association so as to (i) allow direct input from non-Developer Members, and (ii) to promote the ability of non-Developer Members to manage the Association, in anticipation of turnover.

The Developer shall turn over control of the Association to Unit Owners other than the Developer upon the first to occur of the following:

- (1) Three (3) years after fifty percent (50%) of the Units have been conveyed to Unit Owners:

(2) Three (3) months after ninety percent (90%) of the Units have been conveyed to Unit Owners:

(3) When all of the Units have been completed, some of which have been conveyed to Unit Owners, while none of the others are being offered for sale by Developer in the ordinary course of business;

(4) When some of the Units have been conveyed to Unit Owners and none of the others are being constructed or offered for sale by Developer in the ordinary course of business; or

(5) The date which is seven (7) years from the date on which this Declaration is recorded amongst the Public Records of the County.

Upon any of the foregoing events, Developer shall cause all of its appointed Directors to resign, whereupon it shall be the affirmative obligation of Unit Owners, other than the Developer, to elect Directors and assume control of the Association. Within seventy-five (75) days after the Unit Owners are entitled to elect one or more Directors, the Association shall call, and give no less than sixty (60) days' notice for the election of Directors. Provided the foregoing notice of meeting is given to Unit Owners, neither the Developer, nor such appointees, shall be liable in any manner in connection with such resignations even if the Unit Owners other than the Developer refuse or fail to assume control. Control of the Association shall be deemed "turned over" upon any of those events occurring as set forth above. Upon such turnover, the Developer shall retain all voting rights incident to its ownership of Units. Notwithstanding the foregoing, as long as the Developer holds for sale in the ordinary course of business at least five percent (5%) of the Units, the Developer is entitled to elect one member of the Board.

Simultaneously with the time that control of the Association is turned over to Unit Owners other than the Developer (but not more than ninety (90) days with respect to Section 4.15.G below), the Developer shall deliver to the Association all property of the Unit Owners and of the Association held by or controlled by the Developer, including, but not limited to, the following items, if applicable:

A. The original or a photocopy of the recorded Declaration, and all amendments thereto. If a photocopy is provided, the Developer must certify by affidavit that it is a complete copy of the actual recorded Declaration:

B. A certified copy of the Articles of Incorporation for the Association:

C. A copy of the Bylaws of the Association;

D. The Minute Books, including all minutes, and other books and records of the Association:

- E. Any rules and regulations which have been adopted;
- F. Resignations of resigning officers and Board members who were appointed by the Developer;
- G. Financial records, including financial statements of the Association, and source documents from the incorporation of the Association through the date of turnover. The records shall be audited for the period from the incorporation of the Association or from the period covered by the last audit, if an audit has been performed for each fiscal year since incorporation, by an independent certified public accountant and at the Developer's expense. The financial records shall be prepared in compliance with Section 718.301(4)(c), Florida Statutes, and performed in accordance with generally accepted accounting standards, as prescribed by the Board of Accountancy;
- H. Association funds or the control thereof;
- I. All tangible personal property that is the property of the Association, and an inventory of such property;
- J. A copy of the plans and specifications utilized in the construction or remodeling of any improvements within the Condominium Property;
- K. Insurance policies;
- L. Copies of any Certificates of Completion which may have been issued for the Condominium Property;
- M. Any other permits issued by governmental bodies applicable to the Condominium Property in force or issued within one (1) year prior to the date the Unit Owners take control of the Association;
- N. All written warranties of contractors, subcontractors, suppliers and manufacturers, if any, that are still effective with respect to the Condominium Property;
- O. A roster of Unit Owners and their addresses and telephone numbers, if known, as shown on the Association's records;
- P. Leases of the Common Elements or other leases to which the Association is a party, if applicable;
- Q. Employment contracts or service contracts in which the Association is one of the contracting parties, or service contracts in which the Association or Unit Owners have an

obligation or responsibility, directly or indirectly, to pay some or all of the fee or charge of the person or persons performing the service; and

R. All other contracts to which the Association is a party.

4.16 **Resignations.** Any director may resign his post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such date. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Units owned by any Director or Officer (other than appointees of the Developer or other directors or officers who are not Unit Owners when elected or appointed) shall constitute a written resignation of such Director or Officer.

Article 5 POWERS AND DUTIES

5.1 **Generally.** The Board shall have the powers and duties necessary for the administration of the affairs of the Condominium, and may do all such acts except such acts which by law, the Declaration, or these Bylaws, may not be delegated to the Board by the Unit Owners. If any sum borrowed by the Board on behalf of the Association pursuant to authority contained in this subparagraph P is not repaid by the Association, a Unit Owner, who pays to the creditor such proportion thereof as his interest in the Common Elements bears to the interest of all the Unit Owners in the Common Elements, shall be entitled to obtain from the creditor a release of any judgment or other lien which said creditor shall have filed or shall have the right to file against the Unit Owner's Unit.

As an exception to the

foregoing, there shall be no delegation of powers and duties wherein (1) same are contrary to the Florida Statutes and are accordingly not susceptible of being delegated; (2) those delegations and duties which may be required by the Declaration and these Bylaws to have approval of the Board or of the Unit Owners; (3) the delegation is a power and duty which, by its very nature, is a decision or fiduciary responsibility to be made by the Board and is therefore not susceptible of delegation; and (4) same may be contrary to the Declaration or the Bylaws.

R. Exercise of all powers specifically set forth in the Declaration, the Articles of Incorporation of the Association, these Bylaws, and in the Act, and all powers incidental thereto.

5.2 **Hurricane Shutters.** The Board shall adopt hurricane shutter specifications for each building within the Condominium, which shall include color, style, and other factors deemed relevant by the Board. All specifications adopted by the Board shall comply with applicable building codes and ordinances. Notwithstanding any provision to the contrary herein, the Board shall not refuse to approve the installation or replacement of hurricane shutters conforming to the specifications adopted by the Board. The installation, replacement, and maintenance of such shutters in accordance with the procedures set forth in the Declaration shall not be deemed a material alteration

to the Common Elements, pursuant to the Declaration, these Bylaws, or in accordance with Section 718.113, Florida Statutes.

Article 6 OFFICERS

6.1 **Executive Officers.** The executive officers of the Association shall consist of a President, one or more Vice Presidents, Secretary, Assistant Secretary, and Treasurer; all of whom shall be elected by said Board. Any two of said offices may be united in one person, except that the President shall not also be the Secretary or an Assistant Secretary of the Association.

6.2 **Appointive Officers.** The Board may appoint such other officers and agents as they may deem necessary, who shall hold office at the pleasure of the Board and shall have such authority and perform such duties as, from time to time, may be prescribed by said Board.

6.3 **Election.** The Board at its first meeting after each annual meeting of general members shall elect all officers, none of whom, except the President, need be a member of the Board.

6.4 **Term.** The officers of the Association shall hold office until their successors are chosen and qualify in their stead. Any officer elected or appointed by the Board may be removed at any time by the affirmative vote of a majority of the whole Board.

Subject to the provisions of Paragraph 4.11 hereinabove, the President shall preside at all meetings of Unit Owners and of the Board. He shall exercise the executive powers of the Association and have general supervision over its affairs and other officers. He shall sign all written contracts and perform all of the duties incident to his office and such other duties as may be delegated to him from time to time by the Board.

6.6 **The Vice President.** The Vice President shall perform all of the duties of the President in the absence of the President, and such other duties as may be required of him by the Board.

6.7 **The Secretary.** The Secretary or Assistant Secretary shall issue notices of all Board meetings and all meetings of Unit Owners; he or she shall attend and keep the minutes of same; shall have charge of all of the books of the Association, as well as its records and papers, except those kept by the Treasurer. All minutes shall be kept in a businesslike manner and shall be available for inspection by Unit Owners and Board members at all reasonable times.

6.8 The Treasurer.

A. The Treasurer shall have custody of the Association's funds and securities. He shall keep full and accurate accounts of the Association's receipts and disbursements. He shall deposit all monies and other valuable effects in the name of, and to the credit of, the Association in such depositories as may be designated by the Board. The books shall reflect an account for each Unit in the manner required by the Act.

B. He shall disburse the funds of the Association as may be ordered by the Board, making proper vouchers for such disbursements. He shall render an account of all of his transactions as the Treasurer, and of the financial condition of the Association to the Board whenever it may require it.

C. He shall collect all assessments and shall report promptly to the Board the status of collections.

D. He shall maintain accounting records according to good accounting practices, which records shall be open to inspection by Unit Owners or their authorized representatives at reasonable times. He shall render to Unit Owners or their authorized representatives, at least annually, a written summary of the Association's fiscal activities.

6.9 **Compensation.** Officers shall not receive compensation for their services as such, but this provision shall not preclude the Board of Directors from employing a director or officer as an employee of the Association, nor preclude the contracting with a director or officer for the management of the Condominium or for any other service to be supplied by such director or officer. Notwithstanding the foregoing provisions of this subsection 6.9, the prohibitions and restrictions set forth in subsection 4.14 hereof shall apply to officers, directors and managers required to be licensed under Section 468.432, Florida Statutes, regarding acceptance of items or services.

The conveyance of all units owned by and director or officer (other than appointees of the Developer or other Directors or Officers who are not Unit Owners when elected or appointed) shall constitute a written resignation of such Director or Officer.

Article 7

FINANCES AND ASSESSMENTS

7.1 **Depositories.** The funds of the Association shall be deposited in such banks and depositories as may be determined and approved by appropriate resolutions of the Board. Funds shall be withdrawn only upon checks and demands for money signed by such officer(s) or agent(s) as may be designated by the Board.

7.2 **Fiscal Year.** The fiscal year of the Association shall begin on the first day of January of each year: provided, however, that the Board, whenever it deems it advisable, is expressly authorized to change to a different fiscal year in accordance with the applicable provisions of the Internal Revenue Code.

7.3 **Determination of Assessments.**

A. The Board of Directors shall fix and determine the sum or sums necessary and adequate to assess Unit Owners for their share of the Common Expenses set forth in the budget for the Association and the Condominium. Funds for the payment of Common Expenses shall be assessed against Unit Owners as provided in the Declaration for any Condominium governed by the Association. Assessments shall be payable monthly in advance and shall be due on the first day of each month, unless otherwise ordered by the Board. Assessments shall be made against Unit Owners monthly, as aforesaid, in an amount no less than required to provide funds in advance for payment of all of the anticipated current operating expenses and for all of the unpaid operating expenses previously incurred. Special Assessments, if necessary, shall be levied in the same manner as regular Assessments and shall be payable in the manner determined by the Board. All funds due under these Bylaws and the Declaration are Common Expenses.

B. A copy of the proposed budgets for the Association and the Condominium shall be mailed by the Board to each respective Unit Owner not less than fourteen (14) days prior to the Board meeting at which the budgets will be considered, together with a written notice of the time and place of such meeting. The Directors meeting, at which the budget shall be considered, shall be open to all of the Unit Owners.

C. If an adopted budget requires assessment against the Unit Owners in any fiscal or calendar year exceeding one hundred fifteen percent (115%) of the Assessments for the preceding year, the Board, upon written application of ten percent (10%) of the Unit Owners to the Board received within twenty-one (21) days after adoption of the annual budget, shall call a special meeting of the Unit Owners within thirty (30) days, upon not less than fourteen (14) days' written notice to each Unit Owner. At the special meeting, Unit Owners shall consider and enact a budget. The adoption of the budget shall require a vote of not less than a majority of all Voting Interests. The Board may propose a budget to the Unit Owners at a meeting of Members, or in writing, and if the budget or proposed budget is approved by a majority of the Voting Interests at the meeting or by a majority of the Voting Interests in writing, the budget shall be adopted. If a meeting of the Unit Owners has been called, and a quorum is not present, or a substitute budget is not adopted by the Unit Owners, the budget adopted by the Board shall go into effect as scheduled. However, as long as the Developer is in control of the Board, the Board shall not impose an assessment for any year greater than one hundred fifteen percent (115%) of the prior fiscal or calendar year's assessment without approval of a majority of the Voting Interests.

D. The proposed annual budgets of Common Expenses shall be detailed and shall show the amounts budgeted by accounts and expense classifications, including, if applicable, but not

limited to, those expenses listed in Section 718.504(21), Florida Statutes. In addition, if the Association maintains Limited Common Elements with the cost to be shared only by those enlisted to use the Limited Common Elements, as provided for in Section 718.113(1), Florida Statutes, the budget or schedule attached hereto shall show amount budgeted therefore. In addition to annual operating expenses, and to the extent applicable, the budgets shall include reserve accounts for capital expenditures and deferred maintenance. These accounts shall include, but not be limited to, roof replacement, building, painting, and pavement resurfacing, regardless of the amount of deferred maintenance expense or replacement cost, and for any other item for which the deferred maintenance expense or replacement cost exceeds Ten Thousand Dollars (\$10,000.00). The amount to be reserved shall be computed by means of a formula which is based upon the estimated remaining useful life and estimated replacement cost or deferred maintenance expense of each reserve item, as provided in Section 718.112(2)(f)2, Florida Statutes. The Association may adjust replacement reserve assessments annually to take into account any extension of the useful life of a reserve item caused by deferred maintenance. However, prior to turnover of control of an association by a developer to unit owners other than a developer pursuant to Section 718.301, Florida Statutes, Developer may vote to waive or reduce reserves during the first two (2) fiscal years of the operation of the Association, which vote must be taken each budget year, all in accordance with Section 718.112(2)(f), Florida Statutes. After this period, the foregoing reserve account requirements shall not apply to budgets in which the Members of the Association have by a vote or the majority of the total Voting Interests voting in person or by limited proxy at a duly called meeting of the Association, determined for a fiscal year to provide no reserves or reserves less adequate than those described in this subparagraph. Rather, the reserves may only be waived or reduced upon the vote of a majority of all non-developer voting interests voting in person or by proxy, at a duly called meeting of the Association, pursuant to Section 712.112(2)(f), Florida Statutes, and Rule 61B-22.005(8), Florida Administrative Code. No waiver shall be effective for more than one (1) fiscal year, and so long as the Developer owns units in the Condominium, required reserves for such Condominium shall not be waived without the consent of the Developer.

E. When the Board determines the amount of any Assessment, the Treasurer shall mail or present to each Unit Owner a statement of Assessment specifying the amount of same and to whom and where same should be payable and sent. Upon request, the Treasurer shall give a receipt for each payment received.

7.4 **Individual Charges.** Charges by the Association against less than all Members for other than routine Common Expenses, shall be payable in advance. These charges may be collected by Individual Charges, as differentiated from Assessments for Common Expenses. Charges for other than Common Expenses may be made only when expressly provided for in the Declaration or the exhibits annexed thereto, as the same may be amended from time to time, which charges may include, without limitation, charges for the use of portions of the Condominium Property or other Association Property, maintenance services furnished at the expense of a Unit Owner, other services furnished for the benefit of a Unit Owner and fines and damages and other sums due from such Unit Owner.

7.5 **Special Assessments.** In the event the annual Common Assessment proves to be insufficient, the Board may adopt a Special Assessment to cover any shortfall in the manner otherwise set forth for the adoption of regular, annual Common Assessments and, as further provided in the Declaration. Special Assessments shall be made in the manner and for the purposes otherwise provided in the Declaration.

7.6 **Application of Payments and Commingling of Funds.** All funds shall be maintained separately in the Association's name. Reserve and operating funds of the Association may be commingled for purposes of investment, but separate ledgers must be maintained for each account. All sums collected by the Association from Assessments may be commingled in a single fund or divided into more than one fund, as determined by the Board. Any delinquent payment by a Unit Owner shall be applied to interest, costs, attorney's fees, other charges, expenses, advances and general or special Assessments in such manner and amounts as the Board determines. No manager or business entity required to be licensed or registered under Section 468.432, Florida Statutes, and no agent, employee, officer, or director of the Association shall commingle any Association funds with his funds or with the funds of any other condominium association or community association, as defined in Section 468.431, Florida Statutes.

7.7 **Acceleration of Assessment Installments Upon Default.** Assessments shall be made against Units not less frequently than quarterly in an amount which is not less than that required to provide funds in advance for payment of all of the anticipated current operating expenses and for all of the unpaid operating expenses previously incurred. However, if a Unit Owner shall be in default in the payment of an installment of an Assessment, the Board may accelerate the remaining installments of the Assessment for the remainder of the budget year in which the claim of lien was filed. Such accelerated assessments shall be due and payable on the date the claim of lien is filed.

7.8 **Insurance and Fidelity Bonds.** The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse funds of the Association, as required by Section 718.111(11)(d), Florida Statutes. The Association shall bear the cost of any such insurance or bonding, as applicable. Such insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time.

7.9 **Financial Statements.** The Board shall cause to be prepared financial statements either compiled, reviewed or audited in accordance with Section 718.111(13), Florida Statutes, and the rules promulgated thereto. Said financial statements shall be sent or delivered to each Unit Owner in the Condominium within ninety (90) days following the end of the previous fiscal year unless the Association, upon approval of a majority of the Voting Interests of the Association present at a duly called meeting, have determined for a fiscal year to waive the requirements of compiled, reviewed or audited financial statements. In order to waive any such requirement, the aforesaid meeting must be held prior to the end of the fiscal year, and the waiver shall be effective for only one fiscal year. In the event of a waiver in accordance with the aforesaid procedures, the Board shall

cause to be sent or delivered to each Unit Owner in the Condominium financial reports in accordance with Section 718.111(13), Florida Statutes.

7.10 **Accounting Records and Reports.** The Association shall maintain accounting records for the Condominium according to good accounting practices. The records shall be open to inspection by Unit Owners or their authorized representatives at reasonable times. The Association may charge Unit Owners, prospective purchasers, holders of first mortgages, or their authorized representatives its actual costs for preparing and furnishing copies of the documents including, but not limited to, the Declaration, Articles of Incorporation, Bylaws, Rules and Regulations, Question and Answer Sheet, and any amendment to the foregoing to those requesting same. The records shall include, but not be limited to (a) a record of all receipts and expenditures, and (b) an account for each Unit designating the name and current mailing address of the Unit Owner, the amount of each assessment, the dates and amounts in which the assessments come due, the amount paid upon the account, and the balance due.

7.11 **Application of Payment.** All assessments by a Unit Owner shall be applied as provided herein, in the Declaration and in the then current budget of the Association.

7.12 **Transfers and Fees.** The transfer, lease, sale, or sublease of Units is subject to the approval of the Board pursuant to the Declaration. The Board may impose a fee in connection with the approval of the transfer, lease, sale or sublease of Units; provided, however, that no fee shall be charged in connection with a transfer, sale or approval in excess of the expenditures reasonably required for the transfer or sale, and this expense shall not exceed the maximum amount allowed by statute. No charge shall be made in connection with an extension or renewal of a lease. Notwithstanding the foregoing, the Association may require that a prospective lessee place a security deposit, in an amount not to exceed the equivalent of one month's rent into an escrow account maintained by the Association.

7.13 **Legal Actions by or Against Association.** Unit Owners shall be liable for the payment of any Assessments which relate in any way to the payment of legal or other fees to persons or entities engaged for the purpose of suing, making, preparing or investigating possible claims, or pursuing other such actions, as are provided by Section 9.08 of the Declaration, or otherwise provided in Section 718.111(3), Florida Statutes.

Article 8

ROSTER OF UNIT OWNERS AND MORTGAGEES

Each Unit Owner shall file with the Association a copy of the deed or other document showing his ownership. The Association shall maintain such information in a booklet entitled "Owners of Units." A Unit Owner who mortgages his Unit shall notify the Association of the name and address of his mortgagee.

Article 9

Article 10

Except as otherwise provided elsewhere, these Bylaws may be amended in the following manner:

10.1 **Notice.** Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered.

10.2 **Adoption.** A resolution for the adoption of a proposed amendment may be proposed either by a majority of the Board or by not less than one-third (1/3) of the Voting Interests of the Association. Directors and Members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, provided that approval is delivered to the Secretary at or prior to the meeting. The approvals must be either:

A. Not less than a two-thirds (2/3) of the entire membership of the Board, and by not less than sixty-six and two-thirds percent (66-2/3%) of all of the Voting Interests of the Association; or

B. By not less than sixty-five percent (65%) of the votes of all of the Voting Interests of the Association, represented at any meeting at which a quorum has been attained; provided, however, that in all instances hereunder, irrespective of the quorum achieved, not less than a majority of total Voting Interests of the Association shall have voted in connection with such Amendment(s).

10.3 **Method.** No Bylaw shall be revised or amended by reference to its title or number only. Proposals to amend existing Bylaws shall contain the full text of the Bylaws to be amended; new words shall be inserted in the text underlined, and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of Bylaws. See Bylaw _____ for present text." Nonmaterial errors or omissions in the Bylaw process shall not invalidate any otherwise properly promulgated amendment.

10.4 **Proviso.**

A. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer or Institutional Mortgagees of Units without the consent of said Developer and Institutional Mortgagees in each instance.

B. Any amendment which would affect the surface water management system, including, but not limited to, drainage easements and the water management portions of the Common Elements, must have the prior approval of the South Florida Water Management District.

10.5 **Execution and Recording.** A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted as an amendment of the Declaration and Bylaws, which certificate shall be executed by the President or Vice President and attested by the Secretary or Assistant Secretary of the Association with the formalities of a deed. The amendment shall only be valid and be effective when the certificate and copy of the amendment are recorded in the Public Records of Palm Beach County.

Article 11

REPLACEMENT OF DEVELOPER-APPOINTED DIRECTOR

In the event that Developer, in accordance with the privileges reserved herein, selects any person to serve on the Board, Developer shall have the absolute right, at any time, in its sole discretion, to replace such person with another person to serve on the Board. Replacement of any director designated by Developer shall be made by written instrument delivered to any officer, which instrument shall specify the name of the person designated as successor director. The removal of any director and designation of his successor shall become effective immediately upon delivery of such written instrument by Developer to any officer.

Article 12

COMPLIANCE AND DEFAULT

12.1 **Violations.** In the event of a violation (other than the non-payment of an assessment) by a Unit Owner of any of the provisions of the Declaration, Bylaws, or the Act, the Association, by direction of its Board, shall notify the Unit Owner of said breach by written notice, transmitted to the Unit Owner at his Unit by certified mail. If such violation shall continue for a period of fifteen (15) days from the date of mailing of the notice, the Association shall have the right to treat such violation as an intentional, material breach of the Declaration, Bylaws, or the Act, and the Association shall then, at its option, have the following elections:

A. To commence an action in equity to enforce performance on the part of the Unit Owner:

B. To commence an action at law to recover its damages;

C. To commence an action in equity for such equitable relief as may be necessary under the circumstances, including injunctive relief; or

D. To fine the Unit Owner, as set forth in Section 12.5 hereof.

Upon finding by a court that the Unit Owner was in violation of any of the provisions of the above mentioned documents, the Unit Owner shall reimburse the Association for its reasonable attorney's fees incurred in bringing such action. Failure on the part of the Association to commence an action at law or in equity within sixty (60) days from the date of receipt of a written request, signed by a Unit Owner, sent to the Board, shall authorize any Unit Owner to bring an action in equity or suit at law relating to an alleged violation, in the manner provided for by the Act. Any violations which are deemed by the Board to be a hazard to public health or safety may be corrected by the Association immediately as an emergency matter. The cost thereof shall be charged to the Unit Owner.

12.2 Negligence or Carelessness of an Owner. Each Unit Owner shall be liable for the expenses of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness, or by the negligence of any member of his family, his or their guests, employees, agents, licensees, or lessees. Such liability shall include misuse, occupancy or abandonment of any Unit or its appurtenances. Nothing contained herein, however, shall be construed as modifying any waiver by an insurance company as to its rights of subrogation. The cost of any maintenance, repair or replacement performed pursuant to this section shall be charged to said Unit Owner as a specific item.

12.3 Costs and Attorneys' Fees. In any proceeding arising because of an alleged default by a Unit Owner, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be determined by the court.

12.4 No Waiver of Rights. The failure of the Association or Unit Owner to enforce any right, provisions, covenant or condition which may be granted by the Condominium documents shall not constitute a waiver of the right of the Association or Unit Owner to enforce such right, provision, covenant or condition in the future.

12.5 Fines. In addition to all other remedies of the Association, in the sole discretion of the Board of Directors a fine or fines may be imposed by the Association upon a Unit Owner and/or occupant for failure of a Unit Owner, his family, guests, tenants, invitees or occupants to comply with the Declaration, Bylaws, Articles and Rules and Regulations of the Association, all as amended from time to time, pursuant to the following procedure:

A. The Association shall send a written notice to the Unit Owner or the person against whom the fine is sought affording an opportunity for hearing at a time and place of the Association's choosing, but not less than fourteen (14) days from the date of said notice. Said notice shall contain:

- (i) A statement of the date, time and place of the hearing;
- (ii) A statement of the provisions of the Declaration, Bylaws, Articles or Rules and Regulations which have allegedly been violated; and
- (iii) A short and plain statement of the matters asserted by the Association.

Said notice shall be sent by first class mail to the address of the Unit Owner on file with the Association and shall be effective upon mailing. As the Unit Owner is responsible for himself, his family, guests, invitees, lessee's and occupants, the Unit Owner shall be responsible to pay any and all fines assessed without prejudice to the right of the Unit Owner to recover from the actual violator, the amounts paid by the Unit Owner.

B. At the hearing, the Unit Owner, or his agent, including the occupant, invitee, lessee or guest of his Unit, shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved, and shall have an opportunity, at the hearing, to review, challenge, and respond to any material considered by the Association.

C. The hearing shall be held before a tribunal of other Unit Owners, which tribunal shall be appointed by the President. In appointing the tribunal, the President will make a good faith effort not to appoint any Unit Owners who may, in any way, be biased with respect to the proceeding. If the tribunal does not agree with the fine, the fine may not be levied.

D. Within fourteen (14) days after said hearing, the Association shall render a written decision, based upon the finding of the above-described tribunal, containing findings of fact and the reasons for its decisions, together with the amount of fines assessed, if any, and said decision shall be mailed to the Unit Owner by first class mail, and shall be effective upon mailing.

No fine for any single violation shall exceed the maximum amount permitted by law. However, a fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for a hearing, provided that no such fine in the aggregate shall exceed the maximum amount permitted by law.

Nothing herein shall be deemed to limit any remedy, legal or equitable, the Association may have against any person, and the above fines procedure is in addition to any and all other remedies the Association may have against any person. All remedies of the Association are cumulative.

12.6 Election of Remedies. All rights, remedies and privileges granted to the Association or Unit Owner pursuant to any terms, provisions, covenants or conditions of the Condominium documents shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other additional rights, remedies or privileges as may be granted by the Condominium documents.

12.7 **Generally.** Each Unit Owner of a Condominium Parcel, for himself, his heirs, successors and assigns, agrees to the foregoing provisions relating to default and abatement of nuisance, regardless of the harshness of the remedy utilized by the Association and regardless of the availability of other equally adequate legal procedures. It is the intent of all Unit Owners of a Condominium Parcel to give to the Association a method and procedure which will enable it at all times to operate on a businesslike basis, to collect those monies due and owing it from Unit Owners of Condominium Parcels, and to preserve each other's right to enjoy his Unit free from unreasonable restraint and nuisance.

Article 13

LIABILITY SURVIVES TERMINATION OF MEMBERSHIP

The termination of membership in the Association shall not relieve or release any former Unit Owner or Member from any liability or obligation incurred under, or in any way connected with the Condominium during the period of ownership and membership, or impair any rights or remedies which the Association may have against such former Unit Owner and Member, arising out of, or which is in any way connected with, such ownership and membership.

Article 14

CERTIFICATE OF COMPLIANCE

A certificate of compliance from a licensed electrical contractor or electrician may be accepted by the Association's Board as evidence of compliance of the Condominium Units to the applicable fire and life safety code.

Article 15

COMMON ELEMENTS; LIMITED POWER TO CONVEY

The Association shall have a limited power to convey a portion of the Common Elements to a condemning authority for the purpose of providing utility easements, right of way expansion, or other public purposes, whether negotiated or as a result of eminent domain proceedings.

Article 16

LIMITATION OF LIABILITY

Notwithstanding the duty of the Association to maintain and repair parts of the property, the Association shall not be liable for injury or damage caused by a latent condition in the property, or for injury or damage caused by the elements, or other Unit Owners or persons.

Article 17

MANDATORY NON-BINDING ARBITRATION

The provisions of Section 718.1255 of the Act, and the rules promulgated thereunder with respect to mandatory non-binding arbitration are specifically incorporated herein by reference.

Article 18
LIENS

18.1 **Protection of Property.** All liens against a Unit, other than for permitted mortgages, taxes or special assessments, shall be satisfied or otherwise removed within thirty (30) days of the date the lien attaches. All taxes and special assessments shall be paid before becoming delinquent as provided in the Condominium documents or Bylaws, whichever is sooner.

18.2 **Notice of Lien.** A Unit Owner shall give notice to the Association of every lien upon his Unit, other than for permitted mortgages, taxes and special assessments, within five (5) days after the attaching of the lien.

18.3 **Notice of Suit.** A Unit Owner shall give notice to the Association of every suit or other proceeding which will or may affect title to his Unit or any part of the property, such notice to be given within five (5) days after the Unit Owner receives notice thereof.

18.4 **Judicial Sale.** Failure to comply with this Article concerning liens will not affect the validity of any judicial sale.

Article 19
SEAL

The seal of the Association shall have inscribed thereon the name of the Association, the year of its organization, and the words "non-profit." Said seal may be used by causing it or a facsimile thereof to be impressed, affixed, reproduced or otherwise.

Article 20
CONSTRUCTION

Whenever the masculine singular form of the pronoun is used in these Bylaws, it shall be construed to mean the masculine, feminine or neuter, singular or plural, wherever the content so requires.

Should any of the covenants herein imposed be void or be or become unenforceable at law or in equity, the remaining provisions of this instrument shall, nevertheless, be and remain in full force and effect.

Article 21
CONFLICT

If any irreconcilable conflict should exist, or hereafter arise, with respect to the interpretation of these Bylaws and of the Declaration, the provisions of the Declaration shall prevail.

Article 22
